2018 Lancaster Trash Off & City-Wide Clean Up

Lancaster, TX – The City of Lancaster is committed to continue being clean and green, while providing a healthy, safe and vibrant community for its citizens. In support of “Keep Lancaster Beautiful” and the Great American Clean-up efforts, the City of Lancaster welcomes residents to participate in its upcoming Trash Off on **Saturday, January 20, 2018 from 8:00 a.m. to 2:00 p.m. at 1501 N. Dallas Avenue** (next to Regions Bank). The Trash Off is a great opportunity for Lancaster residents to clean their home, garage, and yard of bulk trash, recyclables, tires, scrap metal, brush, and electronic waste (i.e. computers, kitchen appliances, televisions, etc.) at **no additional cost**. Focusing on creating more opportunities to become a greener city and reducing our carbon foot print, Goodwill Industries of Dallas will be on-site accepting donations of furniture, clothes, and household items that would otherwise end up in landfills. Additionally, residents will be able to shred documents at **no additional cost**. The Trash Off is a wonderful opportunity for individuals, groups, and organizations to volunteer to clean-up trash in selected areas of Lancaster. All volunteers will receive complimentary lunch and a volunteer t-shirt on the day of the event.

Residents disposing of appliances must have refrigerant removed and tagged by a certified technician. This program is open to **Lancaster residents only** with proof of residency. For more information on how to volunteer and participate in the 2018 Trash Off, please call (972) 218-1324 or visit www.lancaster-tx.com/TrashOff.
