Grants to be paid on March 1 of each calendar year, (or the immediately following business day if March 1 is not a business day), beginning with March 1 of the first full calendar year following the Commencement Date, provided the City has timely received the Real Estate Taxes assessed against the Premises in full for the respective tax year (i.e., the tax year immediately preceding the year in which an Annual Grant is made; and such Real Estate Taxes with respect to that immediately preceding tax year are used to determine the amount of each Annual Grant). 3.2 **Grant Limitations.** Under no circumstances shall City obligations hereunder be deemed to create any debt within the meaning of any constitutional or statutory provision. Further, City shall not be obligated to pay any commercial bank, lender or similar institution for any loan or credit agreement made by the Company. None of the City's obligations under this Agreement shall be pledged or otherwise encumbered in favor of any commercial lender and/or similar financial institution.

3.3 **Current Revenue.** The Annual Grants made hereunder shall be paid solely from lawfully available funds that have been appropriated by the City; provided however the City agrees during the term of this Agreement to make a good faith effort to appropriate funds each year to pay the Annual Grant for the then ensuing fiscal year. Consequently, notwithstanding any other provision of this Agreement, the City shall have no obligation or liability to pay any Grants except as allowed by law. The City shall not be required to pay any Annual Grants if prohibited under federal or state legislation or a decision of a court of competent jurisdiction.

3.4 **Tax Protest.** In the event the Company or the owner of the Premises timely and properly protests or contests (including any motion to correct the appraisal roll) the Taxable Value and/or the taxation of the Premises, or any portion thereof, with the applicable appraisal district (or its successor), and such protest and/or contest results in a final determination that changes the appraised value and/or the Taxable Value of the Premises or the amount of ad valorem taxes assessed and due for the Premises, or portion thereof, after an Annual Grant has been paid for such Premises for such tax year, the Annual Grant for such tax year shall be adjusted (increased or decreased as the case may be) accordingly on the date of payment of the next Annual Grant payment date, or within sixty (60) business days after such determination in the event no further Annual Grant payments are due under the Agreement.

3.5 **Refunds.** In the event the City determines in its sole discretion that the amount of an Annual Grant paid by the City to the Company was incorrect, the Company shall, within sixty (60) days after receipt of written notification thereof from the City specifying the amount by which such Annual Grant exceeded the correct amount to which the Company was entitled (together with such records, reports and other information necessary to support such determination), pay such amount to the City. If the City determines that the amount by which such Annual Grant was less than the correct amount to which the Company was entitled (together with such records, reports and other information necessary to support such determination), the City shall, within sixty (60) days, pay the adjustment to the Company. If the Company disputes the City's determination, the parties

shall seek to amicably resolve the matter, subject to either party's right to pursue any available rights or remedies in connection therewith.

Article IV Conditions to the Economic Development Grant

The obligation of the City to provide the Grants shall be conditioned upon the Company's continued compliance with and satisfaction of each of the terms and conditions of this Agreement and each of the conditions set forth below:

4.1 During the term of this Agreement following the Commencement Date and continuing thereafter until the Expiration Date, or earlier termination, the Company agrees to continuously lease and occupy the Improvements and shall not allow the operation of the Improvements in conformance with the Required Use to cease for more than sixty (60) days except in connection with, and to the extent of a Casualty or an Event of Force Majeure.

4.2 The Company shall maintain the lease on the Premises.

4.3 The Company shall not have an uncured breach or default of this Agreement.

4.4 The Company shall comply with all the terms and conditions of this Agreement.

4.5 The Company shall be in good standing by being current in payment of any and all outstanding impositions to the City.

4.6 The Company shall not have created any hazardous environmental conditions on the Premises.

Article V Termination

5.1 This Agreement terminates on the Expiration Date, and may prior to the Expiration Date, be terminated upon any one or more of the following:

- (a) by mutual written agreement of the parties;
- (b) by either party, if the other party defaults or breaches any of the terms or conditions of this Agreement and such default or breach is not cured within thirty (30) days after written notice thereof;
- (c) by City, if any Impositions owed to the City or the State of Texas by Company shall have become delinquent (provided, however, Company retains the right to timely and properly protest and contest any such taxes or Impositions);
- (d) by City, if Company suffers an Event of Bankruptcy or Insolvency; or
- (e) by either party if any subsequent Federal or State legislation or any decision of a court of competent jurisdiction declares or renders this Agreement invalid, illegal or unenforceable.

5.2 In the event the Agreement is terminated by the City pursuant to Section 5.1(b), (c), or (d), the Company shall not be entitled to receive any subsequent Annual Grants under this Agreement but shall have no obligation to refund to the City any Annual Grants (or portion thereof or interest accrued thereon) previously paid by the City to the Company.

5.3 In the event the Agreement is terminated by the City pursuant to Section 5.1(e), the Company shall, only if such legislation or court decision requires, immediately refund to the City an amount equal to the annual Grant(s) paid by the City to the Company immediately preceding the date of such termination. The repayment obligation of Company set forth in this section 5.3 hereof shall survive termination.
