PRESS UPDATE SHAVON RANDLE DEATH INVESTIGATION

Lancaster, TX – Earlier this morning, the Lancaster Police Department and the Federal Bureau of Investigation announced the recovery of the body of Shavon Randle and the body of an unidentified male from [2208 Kiest Boulevard, Dallas, Texas](#). The male has been positively identified as Michael Titus.

The investigation into Shavon's death is ongoing. Investigators are working to determine what happened and why the bodies were recovered at the same location. No additional information will be released at this time.
