Lancaster Public Safety Department Offers Kids A Treat

Lancaster, TX – The City of Lancaster Public Safety Department (Lancaster Police, Fire, and Emergency Communications) teamed up to host a Halloween event with over 100 Lancaster ISD elementary students. Students were bused from nearby Pleasant Run Elementary and West Main Elementary school. Students had the opportunity to meet and greet public safety personnel in uniform and officers dressed in fun costumes. The department provided fun games, transformed the briefing room into a haunted house, and gave out candy and snacks.

Police Chief Sam Urbanski noted, “It was a fun opportunity for young students to see a different side of the department. The event displays the great teamwork and coordination between the public safety department and the school district. “
