The Decade of Renaissance 2015-2025

Vision

Lancaster is a thriving and diverse community where we value our historical assets and natural beauty. Residents and stakeholders are engaged and take pride in this City. Lancaster is the Shining Star of Texas with opportunities to live, learn, work and play.

Mission

Lancaster City government is financially sustainable and provides efficient customer-friendly services. Our citizens have trust and confidence in City government and leaders.

Healthy, Safe, & Engaged Community -

Lancaster is a place where we embrace public safety and compassionate enforcement in our neighborhoods to sustain vibrant residential and business communities. The community celebrates unity and participates in City-wide events, recreational and cultural activities. Residents have opportunities for involvement in civic life through boards and commissions, youth and parent volunteer opportunities in recreation, sports teams, City elections, and Civic Academies, Schools and City-wide celebrations.

1. Continue the Business Retention and Expansion Program (BREP)

Financially Sound City Government -

The City has a long-range financial plan and prudent fiscal policies and processes. Appropriate reserve levels and a competitive tax rate ensure that the City has funds available to address the needs of the community and responsibly manage its debt.

1. Prudent fiscal policies and processes
2. Maintain appropriate reserve levels
3. Competitive tax rate

Effective Municipal Operations -

The City delivers financially sustainable quality services, utilizing delivery methods that engage residents to take pride in our City.

1. Hold bi-annual Council Strategic Planning Sessions

Professional & Committed City Workforce -

Lancaster City Government is an employer of choice with competitive pay that attracts an engaged, responsive, customer-oriented, innovative, and effective workforce. Some employees live in the City and all have a sense of ownership for the community. City employees feel needed and appreciated by elected officials, residents, and businesses. Employees are respectful and appreciative of their customers and the City's governing body. The City's executive staff is engaged with residents and attends community events, upholds strong customer service, and uses technology to aid them in working smarter.

1. Continue annual City Council strategic planning and team building exercises
2. Evaluate compensation to address compression
3. Continue Lancaster University

Sound Infrastructure -

The City has preventative maintenance programs to ensure well-maintained infrastructure, including streets, water, storm water, wastewater and other assets.

1. Complete Airport terminal construction
2. Update Planning Design Criteria Manual
3. Evaluate the development of a city-wide Wi-Fi network

Quality Development -

The City encourages high quality, diverse housing, commercial and retail development and public facilities. Policies encourage sustainable building practices, conservation and the use of alternative energy sources.

1. Consider revitalization incentives for commercial retail centers
2. Continue Economic Development Strategic Plan - Incentive Policy Update & Retail Recruitment Strategy
3. Review the 2016 Comprehensive Plan for updates/revisions
4. Evaluate strategies to attract low density, high-quality single family residential development

City Manager's Office

Date: October 1, 2020

The Honorable Clyde C. Hairston &
Members of City Council
211 N. Henry St.
Lancaster, Texas 75146

Mayor Hairston and Members of Council:

It is with great pleasure that I present the Fiscal Year (FY) 2020/2021, City of Lancaster Annual Operating Budget. The adopted budget is submitted in accordance with all statutory requirements. It outlines the City's spending plan and priorities for the coming fiscal year, which runs from October 1, 2020 to September 30, 2021.

The adoption of the City's budget is arguably the single most important document the City produces each year. More than any other individual plan, report, resolution, or ordinance, the annual budget document defines your collective vision, values, and policy objectives for our City. The FY 2020/2021 budget was prepared with the goal of providing quality, innovative services that set the standard for professionalism and excellence.

In response to an expected economic downturn caused by the coronavirus pandemic, once the declaration of disaster was issued in March 2020, we implemented various measures in order to sustain fiscal responsibility while maintaining quality customer service and operational excellence. These measures included restricting expenditures to emergency purchases only.

The Pandemic has taken a toll primarily on the City's sales taxes, hotel occupancy taxes, and development related fees. Sales tax is trending to end the year with a 4.54% decrease which is slightly lower than the original budgeted estimates. Fortunately, the necessary adjustments made throughout the year, in addition to our strong financial policies, have provided us with the support we need to remain fiscally sound. We remain optimistic regarding future opportunities.

To this end, the adopted budget portrays the strategy to accomplish the City's program of services and priorities during the fiscal year by incorporating the following objectives in financial terms:

- Maintaining core services with consideration for current economic conditions
- Implementing City Council goals responsibly while managing resources
- Strategically positioning the City to effectively manage growth
- Accountable and proactive execution of the budget based on identified needs

The total proposed budget projected revenues for all funds for FY 2020/2021 is \$66,243,373; expected operating expenditures total \$63,738,326 of which \$5,045,505 is for annual debt service; with total authorized staff of 317 full-time equivalent (FTE) employees.

BUDGET HIGHLIGHTS

PROPERTY TAX

This budget will raise more revenue from property taxes than last year's budget by an amount of \$1,171,562, which is a 6.63 percent increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$889,734.

The members of the governing body voted on the budget as follows:
For:

Mayor Clyde C. Hairston	Councilmember Carol Strain-Burk
Mayor Pro Tem Racheal Hill	Councilmember Stanley Jaglowski
Deputy Mayor Pro Tem Derrick D. Robinson	Councilmember Marco Mejia
	Councilmember Nina Morris

Property Tax Rate:	\$0.819736/100
No-New Revenue Tax Rate:	\$0.788948/100
Effective Maintenance & Operations Tax Rate:	\$0.600113/100
Maintenance & Operations Rate	\$0.605167/100
Voter-Approval Tax Rate:	\$0.822966/100
Debt Rate:	\$0.214569/100

General Fund Revenues

The City's total tax base increased by 19.35%, or approximately \$496,130,105. Based on the Certified Tax Roll received from the Dallas Central Appraisal District, the City's tax base is \$3,060,488,567. From the current tax rate of \$0.840925 per \$100 of assessed valuation, the maintenance and operations (M&O) apportionment of the tax rate is \$0.595200 and the interest and sinking fund requirements of the tax rate is \$0.245725. These rates have been reduced from our previous fiscal year.

The budgeted revenue in the General Fund is \$30,844,725 of which \$5,084,00 is from sales tax, compared to the estimated \$31,206,246 in the prior fiscal year. This represents a decrease of approximately \$361.521 or 1.16%.

The two largest sources of revenue within this fund are property tax and sales tax. These two sources account for approximately 77% of the fund's total revenue in FY 2020/2021. Based on our projections, sales taxes should generate 20% of the General Fund in FY 2020/2021, whereas property taxes are projected to generate 57%.

General Fund Expenditures

The total General Fund expenditures are budgeted at \$30,851,444, which is approximately a 1.81% decrease from the FY 2019-2020 budget.

Other Budget Highlights

The focus of this budget is financial sustainability that proactively addresses current economic conditions. As a municipal government we are implementing strategies that maintain the quality of services delivered to our community, in a lean fiscal environment. These strategies include promoting an avenue by which the City of Lancaster can attract and retain quality employees. The City's employees are a valuable asset. In order to accomplish this, the FY 2020/2021 budget places great emphasis on maximizing limited resources and developing long-term sustainability.

Compensation Survey

Since 2013 the City Council expressed a desire to establish a pay policy or goal to be at the middle average of our survey cities.

City Council continued to support compensation review as a goal under the professional and committed workforce objective.

City Council has taken steps towards achieving the stated goal by providing a 2% pay plan adjustment to both general government and public safety employees.

Water and Wastewater Fund

Expenses for FY 2020/2021 are budgeted at \$17,260,379, a \$76,645 increase from the prior fiscal year 2019/2020. Though the City incurred a 5.1% increase in costs from Dallas Water Utilities (DWU), the Water and Wastewater fund remains healthy; therefore, customer rates remained unchanged for FY 2020/2021.

Summary

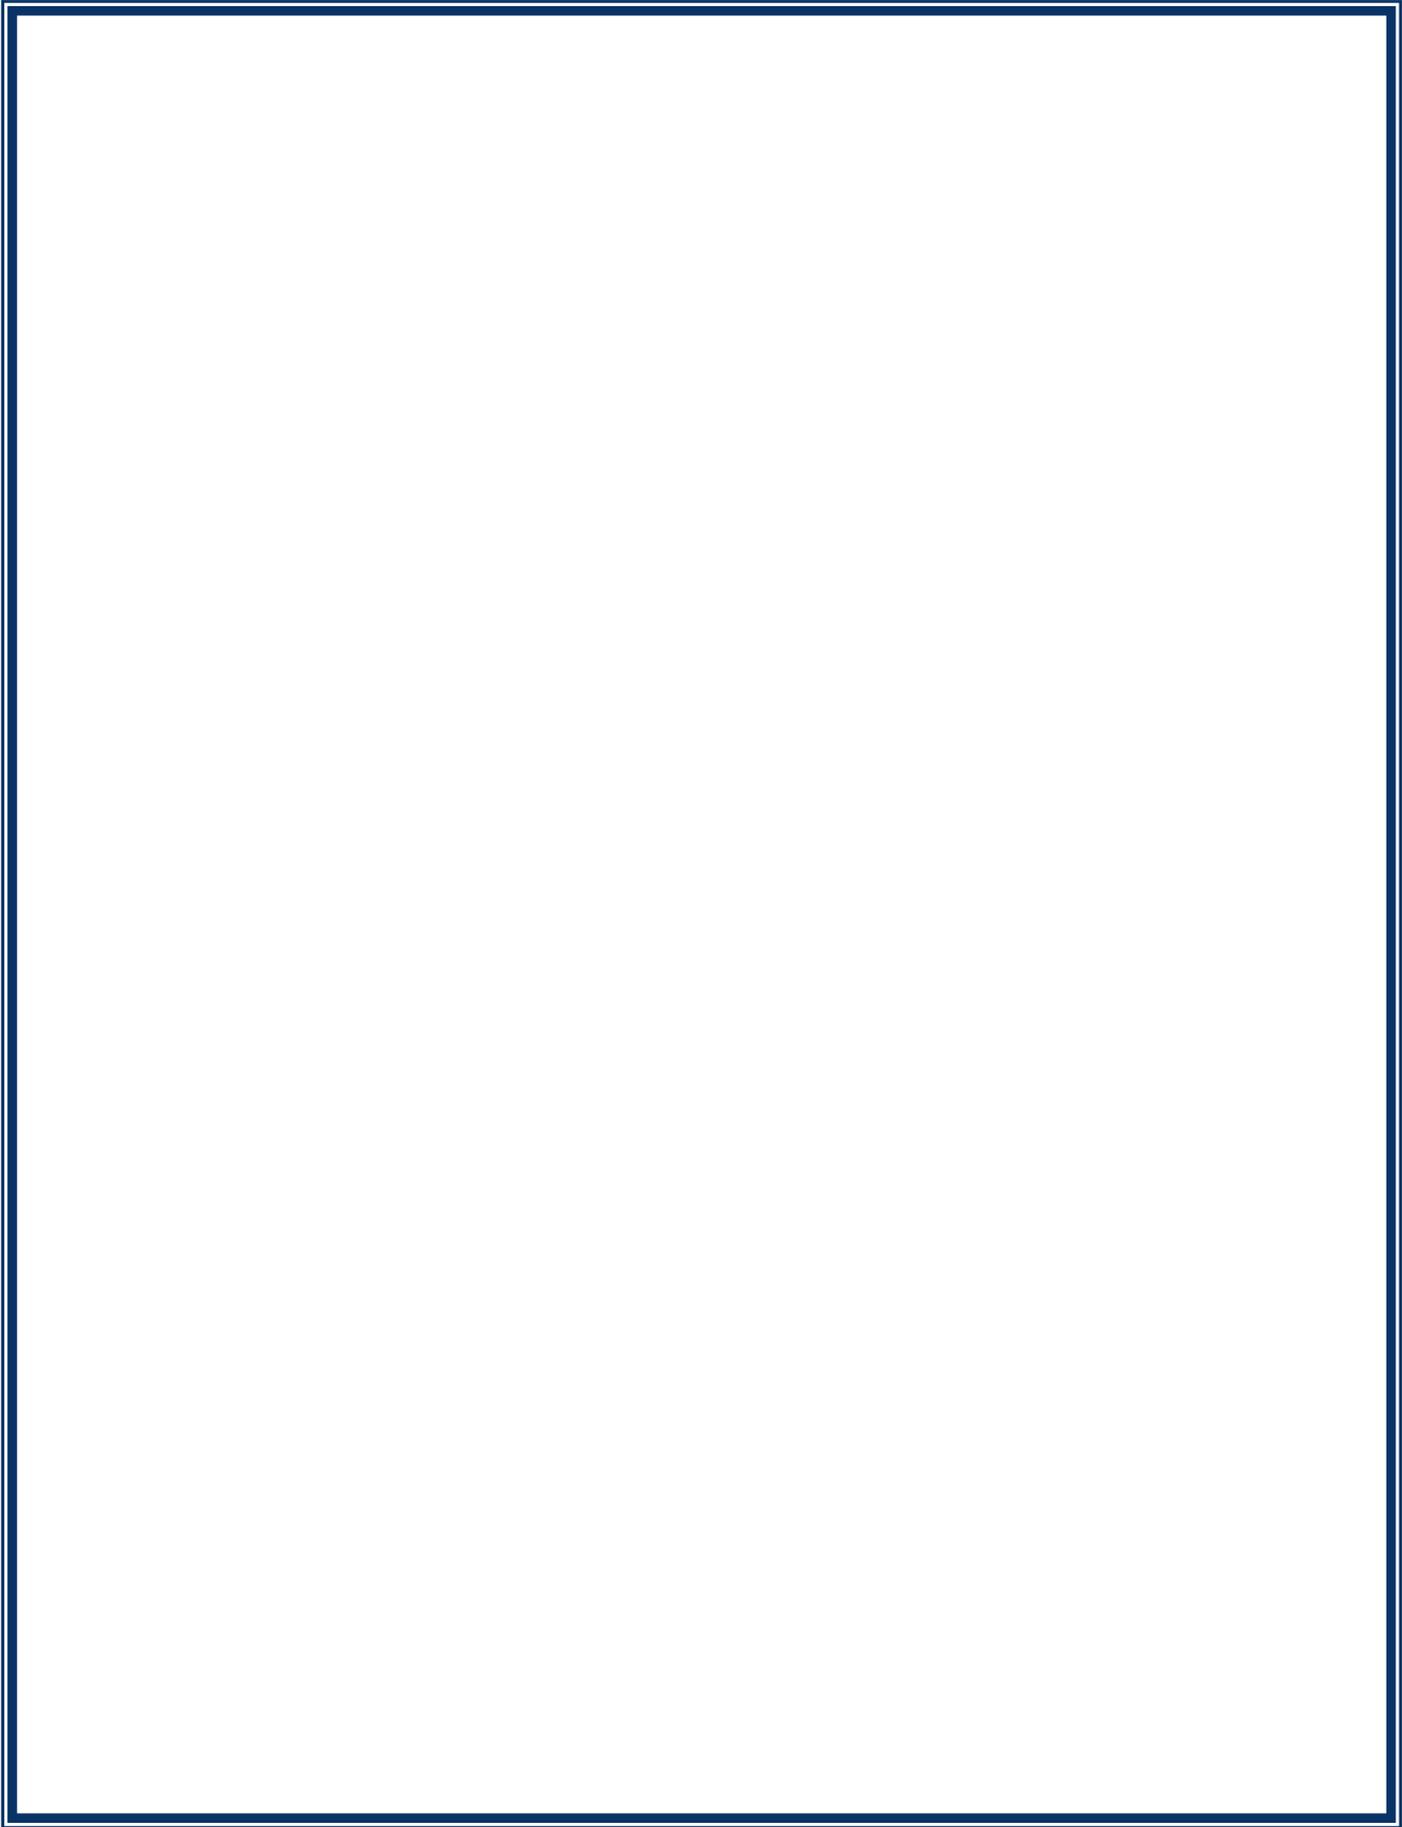

The Executive Summary will provide a more detailed overview of items included in the FY 2020/2021 adopted budget.

The City of Lancaster workforce continues toward realizing the stated vision and mission based on P.R.I.D.E: Productivity, Resourcefulness, Integrity, Dedication, and Excellence. I would like to acknowledge the contributions and teamwork of the Executive Team and Division Managers in preparing this budget. Also, a special thank you to the City employees who remain committed to the success of the City of Lancaster. We are grateful and proud for the opportunity to serve the residents of the City of Lancaster.

It is my honor to present this budget as the product of diligent work with confidence that this sound financial plan parallels the positive future of our organization and our city, to remain the Shining Star of Texas.

Respectfully submitted,

Opbl Mauldin-Jones
City Manager

EXECUTIVE SUMMARY

This Executive Summary has been prepared as a general overview to the FY 2020/2021 Budget for the City of Lancaster. It provides a brief review of the fiscal plans of the City Council and Administration.

Annually City Council conducts a Strategic Planning Session. With facilitator assistance, the Council reviews the progress of current projects and initiatives and develops goals and objectives for the upcoming budget year. The City Manager communicates the City Council Goals and Objectives to staff as a guide during preparation of the budget and as the framework of department work plans.

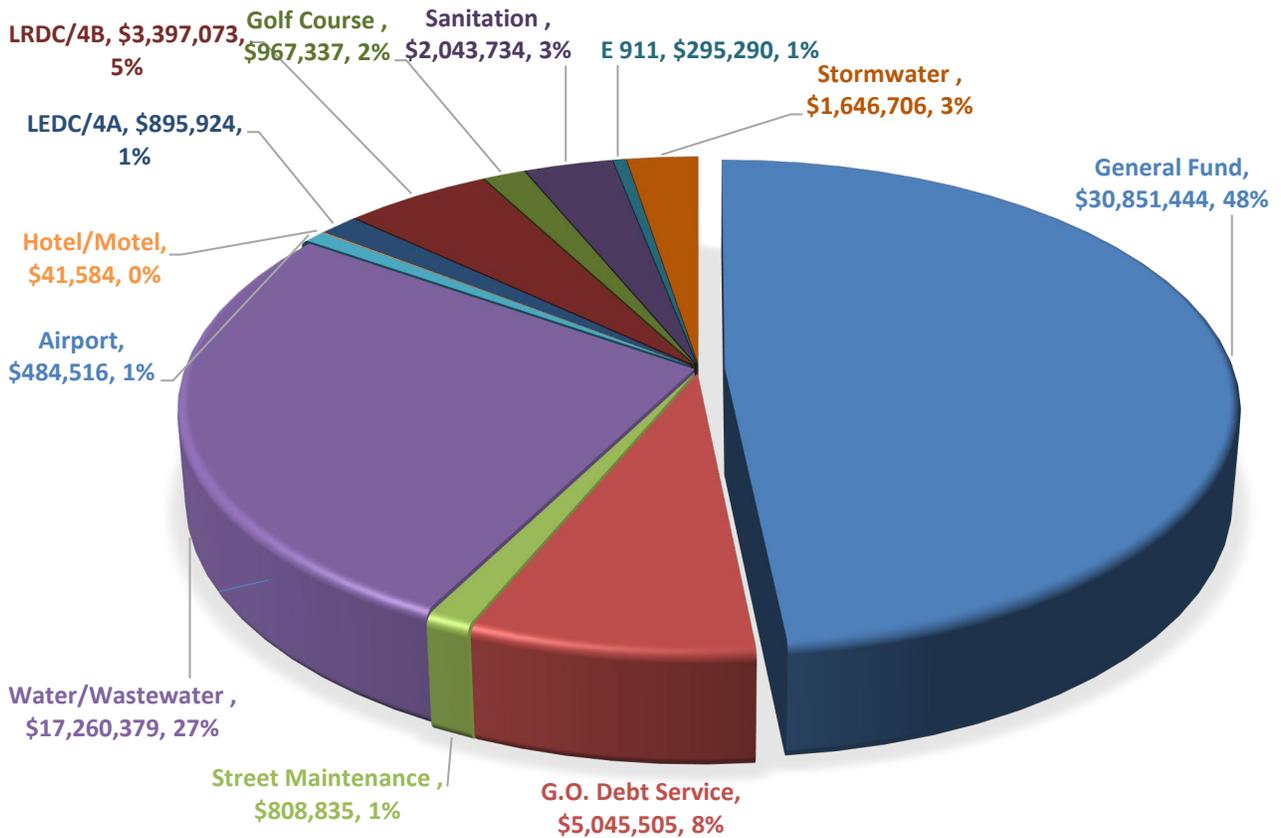

The City Council has adopted six goals aimed at guiding Lancaster's future growth and development as well as focusing on the efforts of the City organization. The goals incorporated in the 2020/2021 budget are as follows:

1. Healthy, Safe & Engaged Community
2. Financially Sound Government
3. Professional and Committed City Workforce
4. Effective Municipal Operations
5. Quality Development
6. Sound Infrastructure

Detailed definitions of each of the listed goals are discussed comprehensively within the executive summary. The City Council Goals & Objectives are evaluated annually to ensure planned progress and consistency with the City Council Vision and Mission.

SALES TAX

Sales tax is comprised of 8.25% of receipts from goods and services sold within the City boundaries. The tax is assessed by local businesses and collected by the State of Texas. Of the total sales tax collected, 2% is remitted to the City. Accounted for in the General Fund is 1.25% of the tax (1% for operations and .25% for property tax reduction). The Lancaster Economic Development Fund (LEDC-4A) receives 0.25% of the tax and the Lancaster Recreation Development Fund (LRDC-4B) receives 0.50% of the tax. The State retains 6.25% of the tax.

General Fund Sales tax is budgeted at \$5,084,000 which accounts for 16.48% of General Fund revenue. The following chart reflects the trend of actual sales tax collections for the city as a whole.

General Fund	1.00

State of Texas	6.25
TOTAL PERCENT OF TAXABLE SALES	8.25

SALES TAX-10 YEAR TAXABLE VALUE

Franchise Fees

Franchise Fees are charged for the continued use of the public rights-of-way. Franchise Fees account for approximately 5.7% of General Fund revenue. The largest portion of franchise revenue is derived from electric franchise. Total Franchise Fees are projected at \$1,757,761.

Inter Fund Transfers

Inter Fund transfers represent those revenues that are transferred from one fund to another to recover administrative cost of the General Fund. The transfers are from the following funds to the General Fund:

Water/Wastewater
LEDC
Golf

Stormwater
LRDC
Airport
Sanitation

The City periodically brings in a consulting firm to perform a Cost Allocation Study to assist in determining the administrative cost of the General Fund to provide service to the other funds. The transfers are based on data from the study. Transfers make up approximately 7.5% of the General Fund budgeted revenue. The budget for transfers is \$2,320,914.

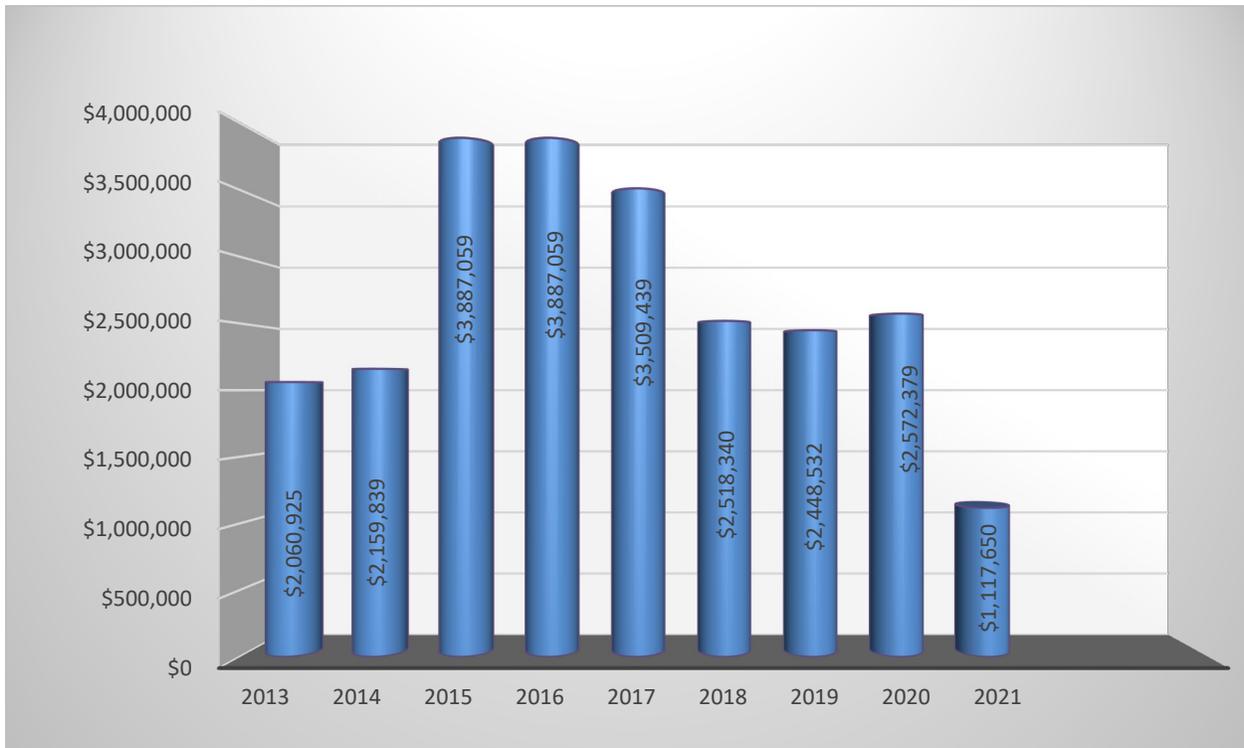

Fines and Forfeitures

Fines and Forfeitures include revenue derived from various sources such as court fines, animal fees, and other public safety fees including warrant, subpoena, and probation fees. Fines and forfeitures

account for approximately 2.5% of General Fund revenue. Fines and Fees are budgeted at \$780,500.

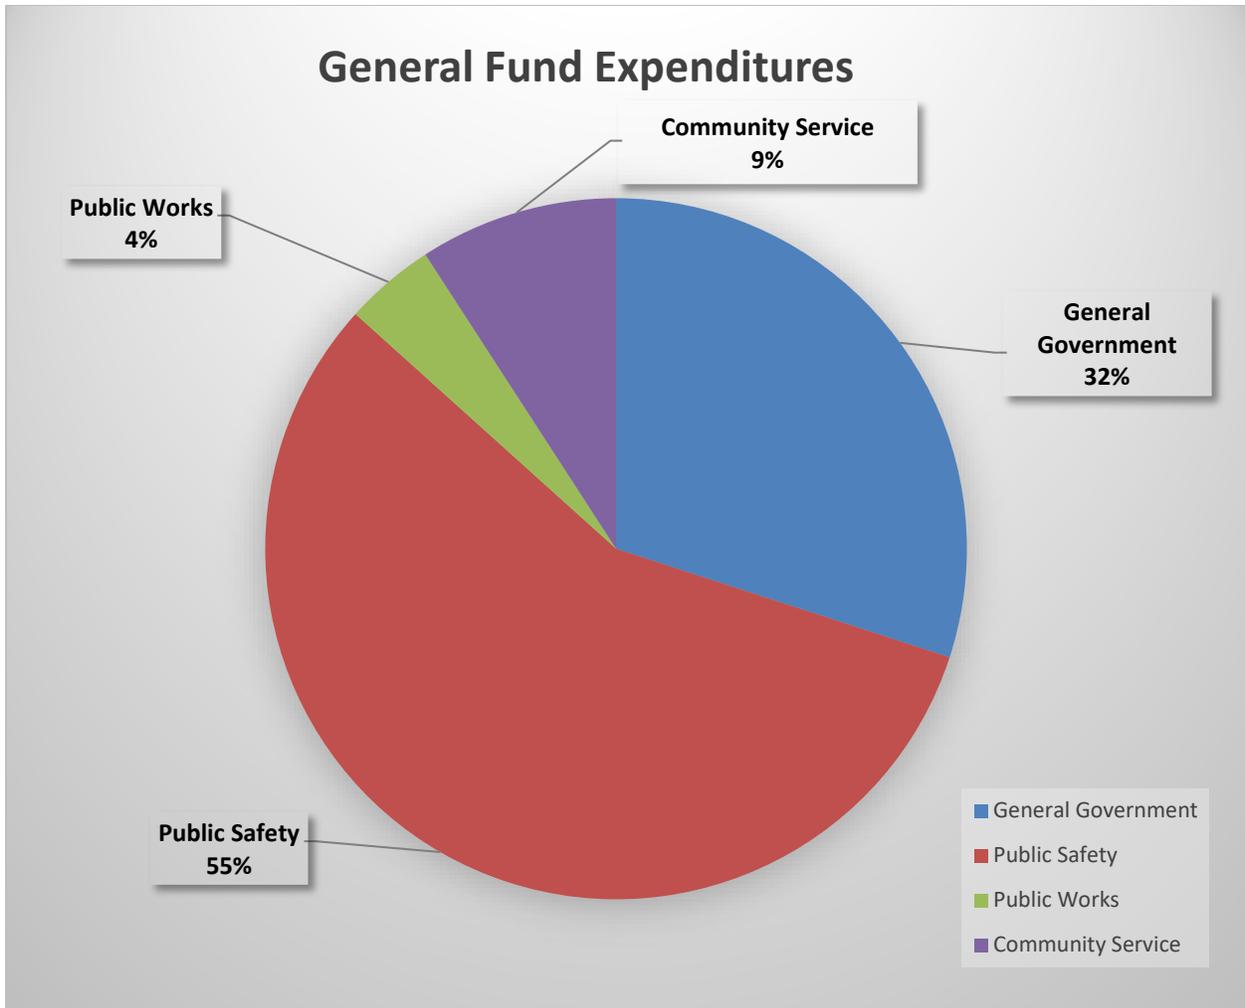

Charges for Service, Interest, and Other Revenue

Other revenue consists of various sources including ambulance service, interest earnings, refunds and recoveries of expenditures. The Fiscal Year 2020/2021 budget for other revenue is \$1,117,650.

GENERAL FUND EXPENDITURES

The Adopted General Fund Budget for Fiscal Year 2020/2021 is \$30,851,444. This is a decrease of 1.81% from the Fiscal Year 2019/2020 adopted budget. The following narrative section describes the expenditures in detail.

Public Safety (Police, Fire, & Civil Service)

Public Safety is the largest component of General Fund expenditures. Public Safety includes the Police Department, the Fire Department, and all support function departments such as Emergency Communications and Emergency Management. The Police Department’s mission is to protect the lives and property of Lancaster citizens through the enforcement of state and local laws. The City’s Fire Department protects the lives and property of Lancaster citizens by providing fire suppression, emergency medical assistance, and education programs.

Public Safety accounts for 55% of the General Fund budget. The total Public Safety budget is \$17,490,299. This represents approximately a 7.39% increase from the Fiscal Year 2019/2020 budget.

General Government

The general government function accounts for approximately 32% of General Fund expenditures. The General Government function includes the following departments:

City Council	Purchasing
City Manager's Office	Human Resources
Legal	Information Technology
City Secretary	Equipment Services & Facilities
Finance	

These departments provide the administrative functions to ensure the City operates efficiently. Due to the slowdown in the national economy and its effects on the City of Lancaster's revenue stream, it was necessary to maintain the cost of city administrative functions. The approved budget for these divisions is \$9, 247,572.

Other Divisions

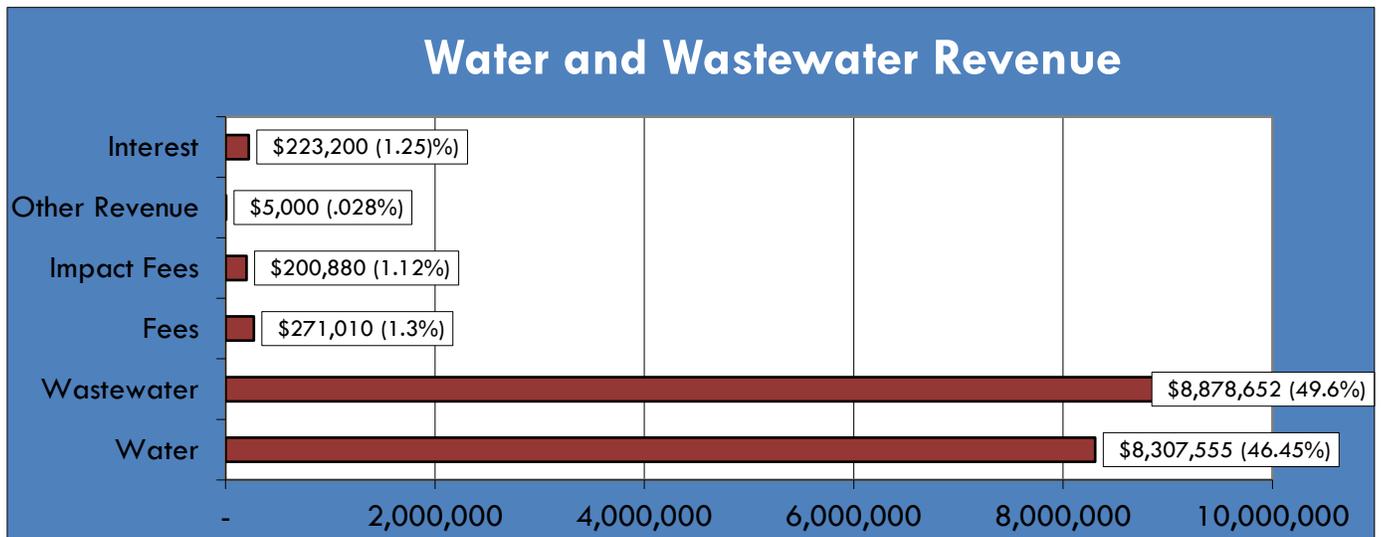

Other departments include Public Works, Community Services, Community Development and Non-Departmental. These divisions make up approximately 70% of General Fund Expenditures.

Fund Balance

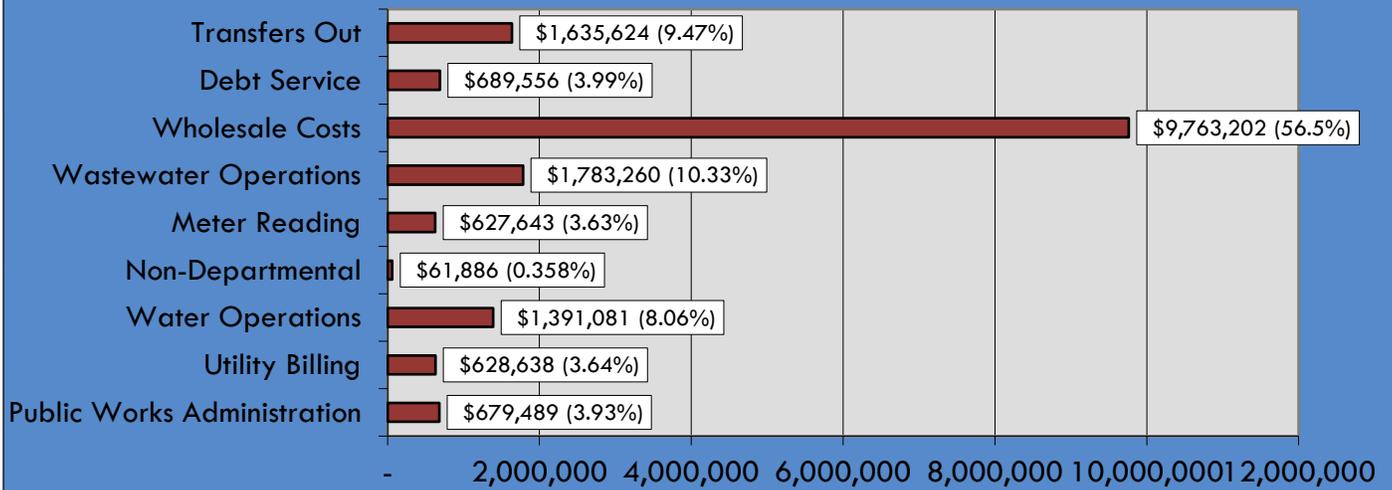

The General Fund is estimated to end the 2020/2021 fiscal year with a fund balance of \$18,036,649. This represents approximately 58.46% of operating expenditures.

WATER AND WASTEWATER (SEWER) FUND

The municipal water system serves approximately 15,221 connections with an average consumption of 10,392 gallons annually. There are roughly 12,138 connections to the City's Sewer System. The Water and Wastewater Fund accounts for approximately 27% of the City's total revenues and 27% of the City's total expenditures.

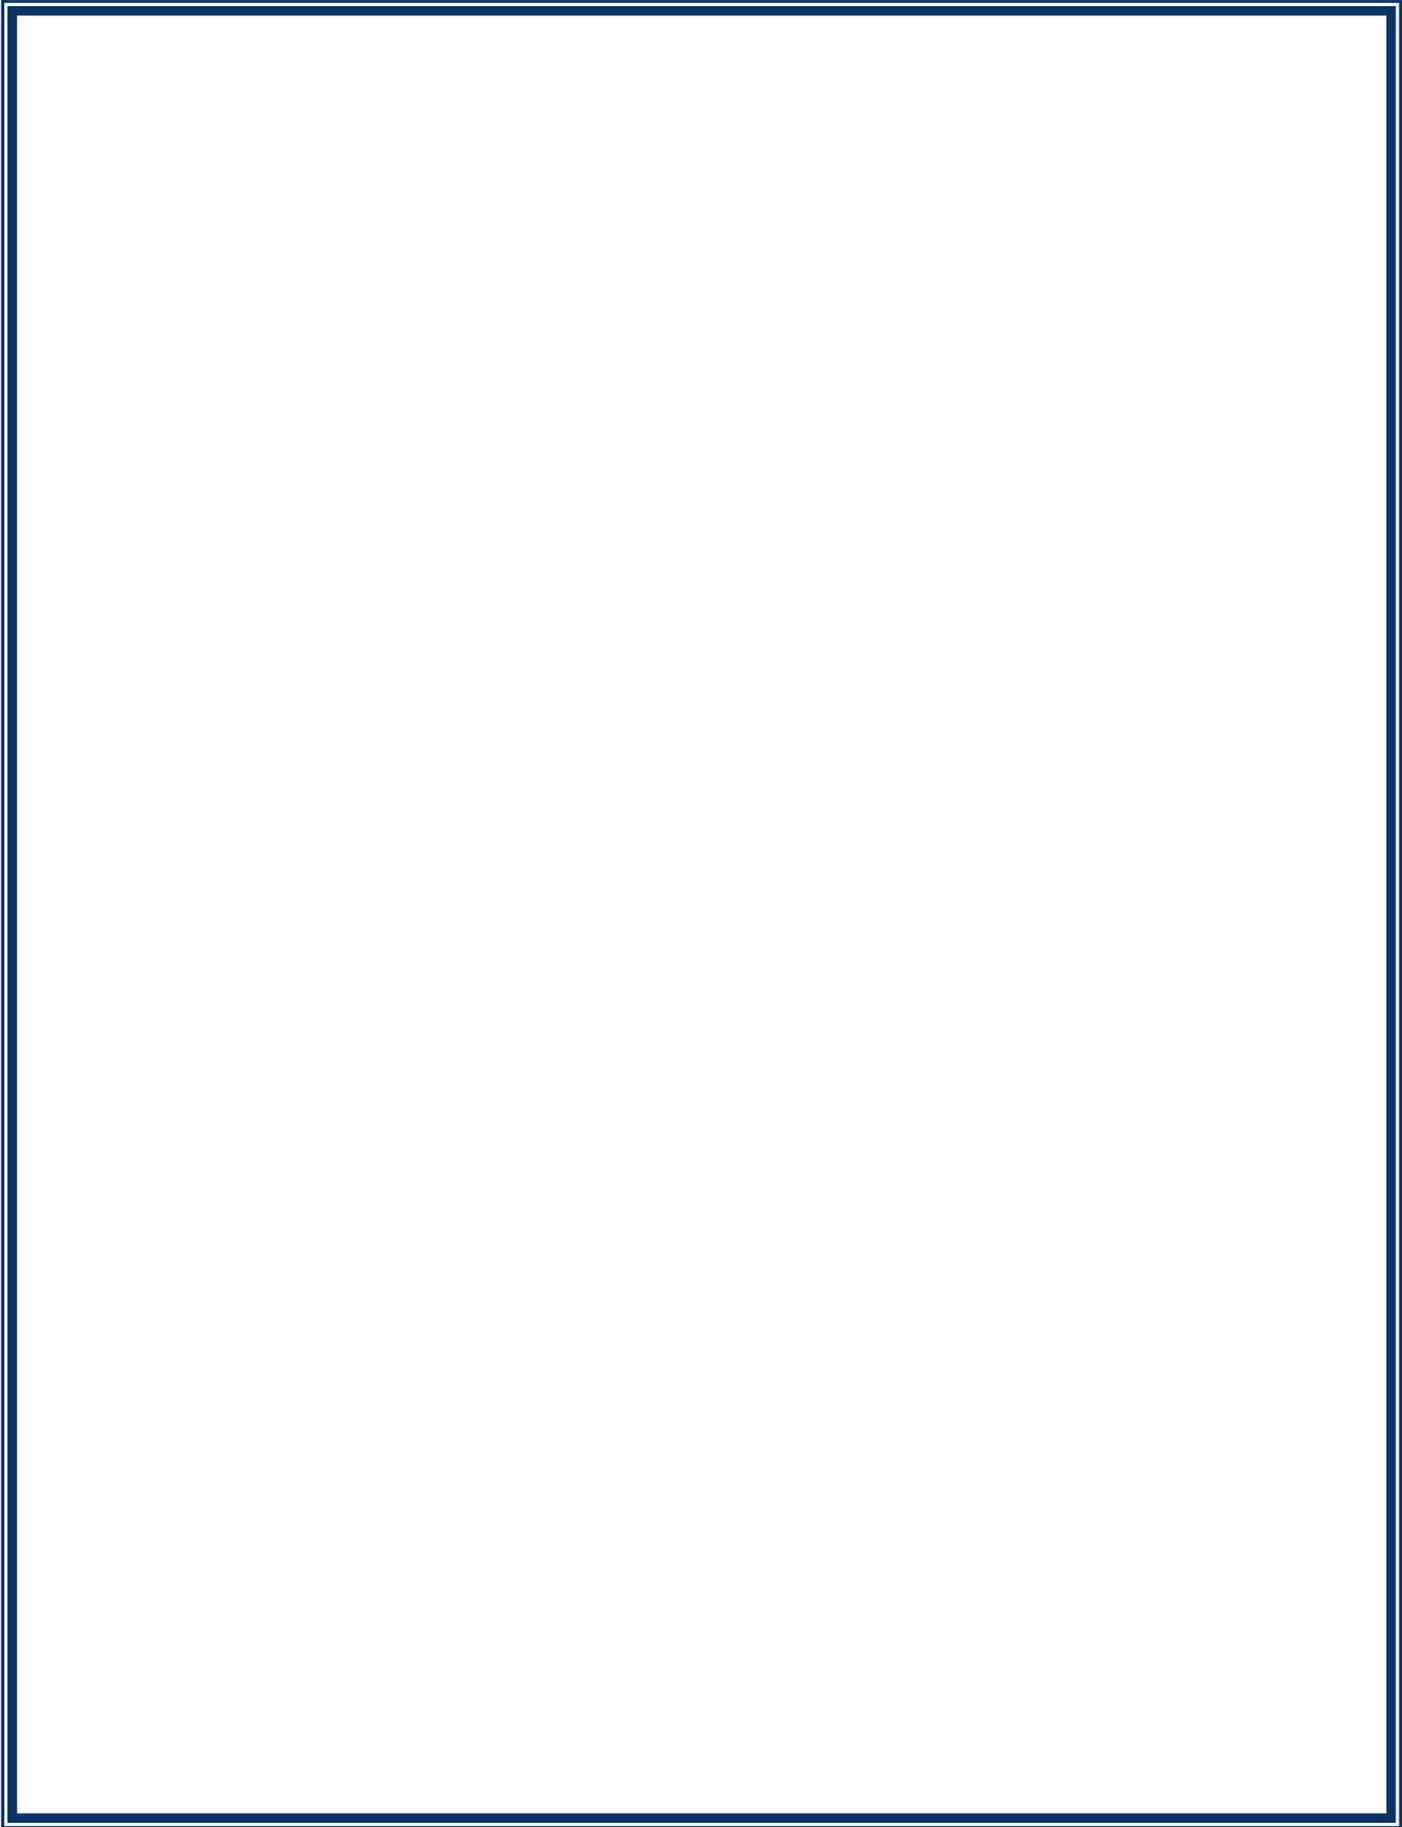

Water and Wastewater Expenditures

Fiscal year 2020/2021 water and wastewater revenues are expected to increase by approximately \$287,640 or 6.66% from year end estimates for fiscal year 2019/2020. Budgeted Expenditures are \$17,260,379 this fiscal year compared to the prior year of \$17,183,734. The Water and Wastewater fund balance is projected at \$13,275,923 at the end of the 2021 fiscal year.

DEBT OVERVIEW

The City of Lancaster, Texas is a political subdivision located in Dallas County operating as a Home-Rule City under the laws of the State of Texas and a charter approved by the voters in 1956 and last amended in 2006. As a Home-Rule City, the City of Lancaster is not limited by State law in the amount of debt it may issue. An overview of our Debt Service Fund and long-term debt obligations are detailed in the Debt Service portion of this reference.

COMMUNITY INFORMATION

City of Lancaster

Established in 1852, Lancaster is a proud community landmarked by its charming Historic Town Square. Residents and newcomers are invited to explore the distinct identity that sets the City of Lancaster apart. With an array of cultural and recreational activities to choose from within close proximity, residents and visitors can enjoy a trendsetting community that promotes diversity, engagement, and values great customer service and serves as an intricate part of the Dallas/Ft. Worth Metroplex.

Emerging as a significant regional transportation hub, with its own regional airport, a freight rail line and three major interstate highways (IH 20, IH 35E & IH 45) within or in close proximity, the City of Lancaster is located in the southwestern portion of Dallas County, approximately 15 minutes south of Dallas.

Historical Overview

Lancaster is one of the oldest communities in north central Texas. Members of the Peters Colony first settled the area. On August 30, 1841, Republic of Texas President Lamar signed a contract with the W.S. Peters Company, authorizing the introduction of 600 families into Texas. The first group to arrive in the Lancaster area was led by Roderick Rawlins and his family. The Rawlins group traveled from Greene County, Illinois, in September 1844 and arrived in the Lancaster area on January 2, 1845. They settled on the north bank of Ten Mile Creek, forming a community known as Hardscrabble. This temporary community consisted of two rows of log structures near the north edge of what is today Edgewood Cemetery on Nokomis Road.

Pleasant Run, the second community to be established in the Lancaster area, was founded in 1846, several miles north of Hardscrabble. M.M. Miller, and his wife Polly, who was one of Roderick Rawlins' daughters, built a two-room structure near what is now the intersection of Pleasant Run Road and Dallas Avenue. The Millers lived in one-half of the building and established a general store in the other half. In 1848, the Miller's store became a post office as well, with bi-weekly delivery, and Miller was appointed postmaster. By the 1850's, Miller had laid out a town and sold lots; however, he never filed a plat of the town with Dallas County. At its peak, Pleasant Run boasted a stage stop, a hotel, a tin shop, a blacksmith, a woodworking shop, a steam powered gristmill, and a school, in addition to the Miller's store.

The founder of Lancaster was "Honest A" Bledsoe. Bledsoe was born in Lancaster, Garrard County, Kentucky in 1801. An interesting note about his name: according to family lore, when his father, Moses Bledsoe, first looked at his newborn son, he is said to have remarked, "He looks like a Bledsoe". Thus his name, A Bledsoe, is unmarked by a period. As a young man, Bledsoe had settled in Missouri. In 1846, he ventured to the new state of Texas. Liking what he saw, he secured a 640-acre tract of land one mile west of what was later to become the town site of Lancaster and returned to Missouri to collect his wife and

six children. Once his family was settled in Texas, Bledsoe began various speculative enterprises by which he hoped to make his fortune.

Bledsoe surveyed and staked off the original town of Lancaster in 1852. He purchased the land for the site of his new town from the widow of Roderick Rawlins, Mildred Parks Rawlins. Bledsoe laid out the town square and adjacent streets in the exact pattern of his birthplace of Lancaster, Kentucky. In this pattern, the streets enter the town square from the center of each side rather than from the corners. A Bledsoe's grandfather, Joseph Bledsoe, had used this same design when he laid out the town in Kentucky, borrowing the pattern from Independence Square in Philadelphia. Incorporated in May 1866, Lancaster was one of the first incorporated communities in Dallas County.

Community Information

Demographics – **Population:** 39,040 **Land Area:** 33.150 Sq. Miles

The Recreation Center features an indoor aquatic facility with a double loop water slide, lazy river, zero depth entry, vortex, four (4) lane lap pool, and a party area. The building also includes a youth room, double gym, elevated jogging track, 2,000 square foot fitness atrium with 27 stations of state-of-the-art fitness equipment, an aerobics dance room with a neo-shock floor, and a multi-purpose classroom. In addition, a 3,300 square foot banquet room and catering kitchen for receptions, weddings and every type of social event and meeting. The banquet facility has a covered outdoor terrace and courtyard that overlooks the 6-acre pond.

The Community Park, Lancaster is home to five (5) playgrounds at the Lancaster Independent School District elementary schools, three (3) additional playgrounds at City Park and Cedardale Athletic Complex, six (6) neighborhood parks (Meadow Creek, Dewberry, Rocky Crest, Verona, Stanford, and Kids Square).

Lancaster Community Park is also home to an 11,500 square foot Senior “Life” Center. The Center features a dining hall with a capacity of 150 diners, and large arts and craft room, billiard room, card room and medical consultation room. The center offers internet access and classes for senior citizens. The dining room has a 100 square foot stage and a commercial kitchen. The center is located adjacent to the lake in Community Park providing opportunities for fishing and miles of walking trails.

Bear Creek Nature Park – The Park features equestrian and walking trails with interpretive signage, two ponds, and a fishing pier, campsites that include facilities for overnight camping, an outdoor classroom, a large pavilion for picnics, a butterfly garden, and outdoor education programs.

Public Library – The Lancaster Veterans Memorial Library is a 23,000 square foot facility located in the Lancaster Community Park. The library offers free membership to residents, which include materials checkout and public computer use. Genealogy resources are notable and services are extensive. Children’s programs include reading readiness activities; teens enjoy Manga writing and book club activities. Classes are offered on computer basics.

Public Schools – The Lancaster Independent School District (Lancaster ISD) educates more than 7,000 students annually and is the first K-12 STEM district in the state of Texas. Lancaster ISD operates on a \$66 million annual budget to provide numerous fundamental and extra-curricular educational opportunities for Lancaster children. The district currently has six elementary schools, one 6th Grade Center, one Middle School, one 9th Grade Center,

Colleges and Universities – Cedar Valley College is located on the eastern border of Lancaster and Dallas on North Dallas Avenue. This two-year accredited institution offers

workforce training, continuing education and college preparatory programs to 2,560 students. It is affiliated with the Dallas County Community College District and has numerous resources available for residents and businesses to utilize.

In August 2010, UNT Dallas accepted its first freshman class, the Class of 2014. UNT Dallas offers 14 undergraduate and five graduate degrees in high-demand fields such as criminal justice, teacher education, business administration, and counseling. As of December 2012, UNT Dallas is in the process of acquiring separate accreditation from the Southern Association of Colleges and Schools (SACS) Compliance and Reports Committee and continues to operate under the accreditation of the UNT System flagship, UNT.

Lancaster Visitors Center and State Auxiliary Museum – The Visitors Center, formerly known as the Interurban building, has welcomed visitors and businesses to our City for over one hundred years.

Built in 1911, the Interurban Building was home to the Texas Interurban Railway that ran from Waxahachie through Red Oak, Lancaster, and Dallas to Sherman-Denison until the 1950's. It was also the regions' first electric-powered building and where area residents' electricity bills were paid for more than 50 years. The Lancaster Visitors Center and City of Lancaster State Auxiliary Museum continue in this rich tradition.

In keeping with the history of the City of Lancaster and the Interurban Building, the City of Lancaster State Auxiliary Museum was established by the Texas legislature in 2010 to showcase the history of the State of Texas and educate patrons on the historical artifacts represented within the exhibit. This premier attraction serves as a unique resource for residents, educators and visitors of Texas alike.

The facility is occupied as the official workspace of State Representative Carl Sherman. Representative Sherman designated this facility as his workspace in October of 2018, and at the beginning of 2019, Representative Sherman took office.

Best Southwest Partnership – In 1988, the partnership was established to include the Cities and Chambers of Commerce of Lancaster, Cedar Hill, DeSoto and Duncanville. The four Cities are all in close proximity to one another and cooperate on economic development,

legislative issues, joint purchasing, public safety, mutual aid and numerous other beneficial endeavors. The result has been improved working relationships among the four-member Cities.

In 2010 six associate member cities Ferris, Glenn Heights, Hutchins, Midlothian, Ovilla, and Wilmer joined the partnership and in 2011 Red Oak joined. The spirit of cooperation among eleven communities provides a competitive advantage when attracting attention to Southwest Dallas County and Northern Ellis County.

Lancaster Regional Airport – The Airport offers our aviation community a range of value-

added services, including a pilot's lounge, complimentary high-speed wireless internet and hanger space. A newly completed 24-hour self-service fuel station adds to the resources available to aviators. The Airport has extended its runway to 6,500 feet and has plans for future improvements that will make flying more accommodating for visiting aviators.

Patrons also enjoy an on-site full-service restaurant and caterer, The Taxiway Café, which is open Monday through Saturday. Customers have the option of visiting two museums, the Commemorative Air Force Museum and the Cold War Air Museum. The Cold War Air Museum is a non-profit educational institution whose mission is to exhibit, educate and eternalize the role of Cold War aircraft, pilots and other personnel. The Commemorative Air Force Museum is an educational organization dedicated to the preservation of the great combat aircraft of World War II and a portion of our military aviation heritage.

The Lancaster Regional Airport expansion is an integral part of the in-land port industrial expansion. In 2015, The Lancaster Regional Airport received a grant for \$600,000 from the State of Texas for a terminal building. The new terminal building construction is a \$2.8 million investment that was completed in October 2020. The grand opening of the building is expected during the Summer of 2021.

Industrial/Warehouse Opportunities – These are opportunities for Logistic Solutions - many of the country's leading industrial developers like ProLogis, Duke, IDI and KTR Partners offer strategic sites in Lancaster for companies seeking cost effective solutions to their needs for manufacturing, warehousing and the distribution of their products. Additionally, the future BNSF Railroad's 200-acre freight Intermodal facility will create additional logistic options for companies. The Lancaster Regional Airport who is recent and future improvements will round out the logistic options of road, rail and air for companies seeking to expand or relocate their business operations.

CITY OF LANCASTER, TEXAS
FINANCIAL MANAGEMENT POLICY STATEMENT

The goal of the Financial Management Policy is to enable the City to achieve a long-term, stable and positive financial condition. The watchwords of the City's financial management include integrity, prudent stewardship, planning, accountability, and full disclosure. The purpose of the Financial Management Policy is to provide guidelines for planning and directing the City's day to day financial affairs and to assist staff in developing recommendations to the Mayor or City Council. Specifically, this policy framework mandates the pursuit of the following fiscal objectives:

I. Revenues

Design, maintain and administer a revenue system that will assure a reliable, equitable, diversified and sufficient revenue stream to support desired City services.

II. Expenditures

Identify priority services, establish and define appropriate service levels and administer the expenditure of available resources to assure fiscal stability and the effective and efficient delivery of services.

III. Fund Balance/Working Capital/Net Assets

Maintain the fund balance, working capital and net assets of the various operating funds at levels sufficient to protect the City's credit worthiness as well as its financial position from emergencies.

IV. Capital Expenditures and Improvements

Annually review and monitor the condition of the City's capital equipment and infrastructure, setting priorities for its replacement and renovation based on needs, funding alternatives and availability of resources.

V. Debt Management

Establish guidelines for debt financing that will provide needed capital equipment and infrastructure improvements while minimizing the impact of debt payments on current and future revenues.

VI. Cash Management and Investments

Invest the City's operating cash to ensure the absolute safety of principal, provide for necessary liquidity and optimize yield in accordance with the City's adopted Investment Policy.

- VII. Intergovernmental Relations**
Coordinate efforts with other governmental agencies to achieve common policy objectives, share the cost of providing governmental services on an equitable basis and support appropriate favorable legislation at the state and federal level.
- VIII. Grants**
Aggressively investigate, pursue and effectively administer federal, state, local and foundation grants-in-aid, which address and support the City's current priorities and policy objectives.
- IX. Economic Development**
Initiate, encourage and participate in economic development efforts to create job opportunities and strengthen the local economy and tax base.
- X. Fiscal Monitoring**
Prepare and present reports for the current and multi-year periods that analyze, evaluate and forecast the City's financial performance and economic condition.
- XI. Accounting, Auditing and Financial Reporting**
Comply with prevailing federal, state and local statutes and regulations. Conform to generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board (GASB), the American Institute of Certified Public Accountants (AICPA) and the Government Finance Officers Association (GFOA).
- XII. Internal Controls**
Establish a system of internal controls designed to maintain an environment to provide management with reasonable assurance that assets are safeguarded against loss from unauthorized use or disposition.
- XIII. Risk Management**
Prevent and/or reduce the financial impact to the City due to claims and losses through prevention, transfer of liability and/or a program of self-insurance of the liability.
- XIV. Operating Budget**
Develop and maintain a balanced budget for operating funds that presents a clear understanding of the goals of the City Council, service levels and performance standards. A Balanced Budget is defined as revenues and any appropriated fund balance equal expenditures.
- XV. Five Year Plans**
Long term financial planning is intended to ensure sustainability of programs and integrate operating and capital financial planning.

I. Revenues

The City shall use the following guidelines to design, maintain and administer a revenue system that will assure a reliable, equitable, diversified and sufficient revenue stream to support desired City services.

A. Balance and Diversification in Revenue Sources

The City shall strive to maintain a balance and diversified revenue system to protect the City from fluctuations in any one source due to changes in economic conditions that adversely impact that source.

B. User Fees

For services that benefit specific users, where possible the City shall establish and collect fees to recover the cost of those services. Where feasible and desirable, the City shall seek to recover full direct and indirect costs. City staff shall review user fees on a regular basis to calculate their full cost recovery levels, to compare them to the current fee structure and to recommend adjustments where necessary.

C. Property Tax Revenues/Tax Rate

The City shall strive to reduce its reliance on residential property tax revenues by revenue diversification, implementation of user fees and economic development. The City shall also strive to minimize tax rate increases.

D. Utility/Enterprise Funds User Fees

Utility rates and enterprise funds user fees shall be set at levels sufficient to cover operating expenditures, meet debt obligations, provide additional funding for capital improvements and provide adequate levels of working capital and debt coverage.

E. Administrative Services Charges

The City shall prepare a cost allocation plan to determine the administrative services charges due to the General Fund from enterprise funds for overhead and staff support. Where appropriate, the enterprise funds shall pay the General Fund for direct services rendered.

F. Revenue Estimates for Budgeting

In order to maintain a stable level of service, the City shall use a conservative, objective and analytical approach when preparing revenue estimates for current and multi-year periods. The process shall include analysis of probable economic changes and their impacts on revenues, historical collection rates and trends in revenues. This approach should reduce the likelihood of actual revenues falling short of budget estimates during the year and should avoid mid-year service reductions.

G. Revenue Collection and Administration

The City shall maintain high collection rates for all revenues by keeping the revenue system as simple as possible in order to facilitate payment. In addition, since revenue should exceed the cost of producing it, the City shall strive to control and reduce administrative costs. The City shall pursue to the full extent allowed by state law all delinquent taxpayers and other overdue in payments to the City. The fees based on user charges shall be reviewed annually to ensure continuing coverage of the cost of services. The City shall revise user fees with review of the City Council to adjust for the costs of inflation and additional recovery increments. The City shall review and adopt utility rates annually that shall generate revenues required to fully cover operating expenditures, meet the legal restrictions of all applicable bond covenants, and provide for an adequate level of working capital needs. A method is established whereby the General and administrative services performed on the Enterprise Fund's behalf. The process shall be documented and disclosed to the City's auditors for review. All revenue collections will be consolidated under Finance and be audited annually.

II. Expenditures

The City shall use the following guidelines to identify necessary services, establish appropriate service levels and administer the expenditure of available resources to assure fiscal stability and the effective and efficient delivery of services.

Current Funding Basis

The City shall operate on a current funding basis. Expenditures shall be budgeted and controlled so as not to exceed current revenues plus the planned use of fund balance accumulated through prior year savings.

Avoidance of Operating Deficits

The City shall take timely corrective action if at any time during the fiscal year expenditure and revenue re-estimates are such that an operating deficit is projected at year-end.

Maintenance of Capital Assets

Within the resources available each fiscal year, the City shall maintain capital assets and infrastructure at a sufficient level to protect the City's investment, to minimize future replacement and maintenance costs and to continue service levels.

Periodic Program Reviews

Periodic program reviews for efficiency and effectiveness shall be performed. Programs not meeting efficiency and effectiveness objectives shall be brought up to required standards or be subject to reduction or elimination.

Purchasing

The City shall make every effort to maximize any discounts offered by creditors/vendors. Vendors with balances due the City will have payments due to the vendor offset against the amount due the city. The City will follow state law concerning the amount of purchase requiring formal bidding procedures and approval by the City Council. For purchases where competitive bidding is not required, the City shall seek to obtain the most favorable terms and pricing possible. Every effort will be made to include minority business enterprises in the bidding process.

Quarterly reports shall be prepared showing actual expenditures compared to the adopted budget. Modifications within the operating categories (materials, supplies, and services) and/or modifications within the personnel and capital categories may be made with the approval of the City Manager.

Where appropriate, performance measures and productivity indicators shall be used as guidelines and reviewed for efficiency and effectiveness. This information shall be included in the annual budgeting process.

Purchases shall be made in conformation with the States formal bidding process and requirements. Recommendations of bids and contracts in excess of \$50,000 shall be presented to City Council for their formal approval.

III. Fund Balance/Working Capital/Net Assets

In accordance with the requirements of Governmental Accounting Standards Board Statement Number 53, the City shall use the following guidelines to explain and define the purpose of fund balance, working capital and retained earnings of the various operating funds. The City will describe fund balance as follows: (1) Un-spendable – portion of net resources that cannot be spent, i.e. assets that will never convert to cash or not convert during the current period, or resources that must be maintained intact pursuant to legal or contractual requirements. (2) Restricted – portion of net resources that are required to be reserved by external legal restrictions such as debt covenants, grantors, contributors or other governments. (3) Committed – portion of fund balance that represents resources whose use is constrained by limitations that the City

imposes upon itself by council action and require council action to release. (4) Assigned – portion of fund balance that reflects the City’s intended use of resources. (5) Unassigned-surplus fund balance.

The City shall use the following guidelines to maintain the fund balance, working capital and net assets of the various operating funds at levels sufficient to protect the City’s creditworthiness as well as its financial position from unforeseeable emergencies.

General Fund Unassigned Fund Balance

The City shall strive to maintain the General Fund unassigned fund balance at an amount equal to a minimum of twelve (12) percent of the general operating budget with a target of reaching eighteen (18) percent and a maximum of twenty-five (25) percent. The City will maintain an unallocated fund balance of an amount equal to a minimum of twelve (12) percent of the general operating budget. Any excess above the minimum will be designated to the Capital Improvement Program and the Equipment Replacement Program. These designations will be reviewed annually and authorized by the Council. The minimum twelve (12) percent unallocated fund balance will be used to avoid cash-flow interruptions, generate interest income, reduce need for short-term borrowing and assist in maintaining an investment-grade bond rating.

Other Operating Funds Unrestricted Net Assets; Enterprise Working Capital

In other operating funds, the City shall strive to maintain a positive unrestricted net assets position to provide sufficient reserves for emergencies and revenue shortfalls. The unallocated fund balance of other funds should be maintained as follows:

<u>Fund</u>	<u>Minimum</u>	<u>Target</u>	<u>Maximum</u>
Water/Wastewater	12.00%	18.00%	25.00%
Airport Fund	12.00%	18.00%	25.00%
Golf Fund	12.00%	18.00%	25.00%

Debt Service Funds 12% of Current Year Debt Payment

Use of Fund Balance/Net Assets

Fund Balance/Net Assets shall be used only for emergencies, non-recurring expenditures, major capital purchases that cannot be accommodated through current year savings, and as designated by Council. Should such use reduce the balance below the appropriate level set as the objective for that fund, recommendations will be made on how to restore it.

Periodic review of cash flow position shall be performed to determine performance of cash management and investment policies. A detailed policy structure shall be followed with respect to Cash/Treasury Management. The underlying theme shall be that idle cash shall be invested with the goals and objectives as identified in the City's Investment Policy.

Procedures shall be taken so as to maximize any discounts offered by creditors. Current liabilities shall be paid within 30 days of receiving the invoices. Accounts receivable procedures shall target for a maximum of 60 days of service.

IV. Capital Infrastructure and Equipment Replacement

Capital Expenditures and Improvements

The City shall annually review and monitor the condition of the City's capital equipment and infrastructure, setting priorities for its replacement and renovation based on needs, funding alternatives and availability of resources.

Capital Improvements Program

The City shall annually review the Capital Improvements Program (CIP), potential new projects and the current status of the City's infrastructure, replacement and renovation needs, updating the program as appropriate. All projects, ongoing and proposed, shall be prioritized based on an analysis of current needs and resource availability. For every project, all operation, maintenance and replacement expenditures shall be fully casted. The CIP shall also present the City's long-term borrowing plan, debt payment schedules and other debt outstanding or planned, including general obligation bonds, revenue bonds, certificates of obligation and lease/purchase agreements.

Replacement of Capital Assets (Equipment) on a Regular Schedule

The City shall annually prepare a schedule for the replacement of its non-infrastructure capital assets. Within the resources available each fiscal year, the City shall replace these assets according to this schedule.

Capital Expenditure Financing

The City recognizes that there are several methods of financing capital requirements. It can budget the funds from current revenues; it can take the funds from fund balance/retained earnings as allowed by the Fund Balance/Net Assets Policy; it can utilize funds from grants and foundations or it can borrow money through debt. Debt financing includes general obligation bonds, revenue bonds,

certificates of obligation, lease/purchase agreements and certificates of participation. Guidelines for assuming debt are set forth in the Debt Policy Statements.

A Capital Improvement Program shall be adopted for a period of five (5) years and reviewed annually for prioritization, based on analysis of the City's infrastructure. The replacement and maintenance for capital items shall also be projected for the next five (5) years. Future maintenance shall be fully cost, providing sufficient funding for future maintenance and replacement. The City shall identify the estimated costs and potential funding sources for each capital project proposal before it is submitted to council for approval. The City shall determine the least costly financing method for all new projects.

Where applicable, assessments, pro-rata charges or other user-based fees should be used to fund capital projects which have a limited benefit to the whole City.

Assets shall be maintained to protect the government's investment and minimize the future replacement and maintenance costs. The Annual operating budget shall provide for adequate maintenance and issuance of all capital plant and equipment.

V. Debt Management

The City shall use the following guideline for debt financing which will provide needed capital equipment and infrastructure improvements while minimizing the impact of debt payments on current and future revenues.

Use of Debt Financing

Debt financing, including general obligation bonds, revenue bonds, certificates of obligation and lease/purchase agreements, shall only be used to purchase capital assets. Debt payments should be structured to provide that capital assets, which are funded by the debt, have a longer life than the debt associated with those assets. Long Term Debt shall not be used for operating purposes. The life of the bonds shall not exceed the useful life of the projects.

Amortization of Debt

The City shall structure new best issue payment schedules to utilize the City's declining debt payment schedules to keep tax increases for debt to a minimum. Capital projects that, by their character or size, are outside the normal core service projects will require careful evaluation of financial feasibility.

Affordability Targets

The City shall use an objective analytical approach to determine whether it can afford to assume new debt beyond the amount it retires each year. This process shall compare generally accepted standards of affordability to the current values for the City. These standards shall include debt per capita, debt as a percent of taxable value, debt service payments as a percent of current revenues and current expenditures and the level of overlapping net debt of all local taxing jurisdictions. The process shall also examine the direct costs and benefits of the proposed expenditures as determined in the City's annual update of the Capital Improvements Planning Program. The decision on whether or not to assume new debt shall be based on these costs and benefits and on the City's ability to "afford" new debt as determined by the aforementioned standards. The City shall use cities with similar bond ratings for debt ratio benchmarks.

Sale Process

The City shall use a competitive bidding process in the sale of debt unless the nature of the issue warrants a negotiated bid. In situations where a competitive bidding process is not elected, the bond counsel/advisors shall present the reasons why to the City. Also, the City shall participate in the selection of the underwriter with the assistance of the bond counsel/advisors in the case of a negotiated bid.

Rating Agencies Presentations

Full disclosure of operations and open lines of communications shall be made to the bond rating agencies. City staff, with assistance of financial advisors, shall prepare the necessary materials and presentation to the rating agencies.

Continuing Disclosure

The City is committed to continuing disclosure of financial and pertinent credit information relevant to the City's outstanding securities.

Debt Refunding

City staff and the financial advisor shall monitor the municipal bond market for opportunities to obtain interest savings by refunding outstanding debt.

When appropriate, self-supporting revenue bonds shall be issued before general obligation bonds. Interest earnings on bond proceeds shall be credited to the appropriate bond/capital fund. The bonds shall have a provision which allows them to be recalled after the tenth year of issue.

The Debt Service Fund(s) reserves should equal ten percent (10%) of the current year's debt payment. This minimum does not include the amounts accruing for the next debt payment.

The City shall be actively involved in the selection of all bond counsel, advisors, underwriters, and paying agents. The City shall evaluate the merits of rotating professional advisors and consultants and the kinds of services and fee structures available from independent financial advisors, investment banking firms and commercial banks. Also, the City shall carefully itemize and scrutinize all costs associated with the issuance of bonds.

The City shall explore all funding alternatives in addition to long-term debt including leasing, grants, and other aid, developer contributions, capital recovery fees, and current funds.

The City will establish and maintain an equipment replacement fund. If any equipment is secured through a lease/purchase agreement, it will have a useful life of at least five (5) years.

VI. Cash Management and Investments

The City's available cash shall be invested according to the standard of prudence set forth in Section 2256.0066 of the Texas Government Code. The following shall be the objectives of the City of Investment Policy listed in their order of importance: preservation of capital and protection of investment principal, maintenance of sufficient liquidity to meet anticipated cash flows, diversification to avoid unreasonable market risks and attainment of a market value rate of return. The investment income derived from pooled investment accounts shall be allocated to contributing funds based upon the proportions of respective average balances relative to total pooled balances.

VII. Intergovernmental Relations

The City shall coordinate efforts with other governmental agencies to achieve common policy objectives, share the cost of providing government services on an equitable basis and support appropriate favorable legislation at the state and federal levels.

Interlocal Cooperation in Delivering Services

In order to promote the effective and efficient delivery of services, the City shall work with other local jurisdictions to share on an equitable basis the costs of services, to share facilities and to develop joint programs to improve service to its citizens.

Legislative Program

The City shall cooperate with other jurisdictions to actively oppose any state or federal regulation or proposal that mandates additional City programs or services and does not provide the funding for implementation.

VIII. Grants

The City shall seek, apply for, obtain and effectively administer federal, state and foundation grants-in-aid that address the City's current and future priorities and policy objectives.

Grant Guidelines

The City shall seek, apply for and obtain those grants that are consistent with priority needs and objectives identified by Council.

Grant Review

The City shall review all grant submittals for their cash or in-kind match requirements, their potential impact on the operating budget and the extent to which they meet the City's policy objectives. If there are cash match requirements, the source of funding shall be identified and approved prior to application, as set forth in the Grant Policy.

IX. Economic Development

The City shall initiate, encourage and participate in economic development efforts to create job opportunities and strengthen the local economy and tax base.

Commitment to Expansion and Diversification

The City shall encourage and participate in economic development efforts to expand Lancaster's economy and tax base, to increase local employment and to invest when there is a defined specific long-term return. These efforts shall not only focus on new areas but on redevelopment of older areas and other established sections of Lancaster where development can generate additional jobs and other economic benefits.

Increase Non-Residential Share of Tax Base

The City's economic development program shall seek to expand the non-residential share of the tax base to decrease the tax burden on residential homeowners.

Coordinate Efforts with Other Jurisdictions

The City's economic development program shall encourage close cooperation with other local jurisdictions to promote the economic well-being of this area.

Use of Other Incentives

The City shall use tax re-investment zones as allowed by law and shall seek new sources to encourage business expansion. The City shall also coordinate with state and federal agencies on offering any incentive programs they may provide for potential economic expansion.

X. Fiscal Monitoring

Reports shall be prepared and presented on a regular basis to analyze, evaluate and forecast the City's financial performance and economic condition for the current year and for multi-years.

Financial Status and Performance Reports

Quarterly reports shall be prepared comparing expenditures and revenues to current budget for fiscal year-to-date, and to prior year actual fiscal year-to-date.

Five-Year Forecast of Revenues and Expenditures

A five-year forecast of revenues and expenditures, including a discussion of major trends affecting the City's financial position, shall be prepared. The forecast shall examine critical issues facing the City, economic conditions and the outlook for the upcoming budget year. The document shall incorporate elements of the International City Management Association financial trend monitoring system, providing further insight into the City's financial position and alerting the Council to potential problem areas requiring attention.

XI. Accounting, Auditing and Financial Reporting

The City shall comply with prevailing local, state and federal regulations. Its accounting practices and financial reporting shall conform to generally accepted accounting principles promulgated by the Governmental Accounting Standards Board (GASB), the American Institute of Certified Public Accountants (AICPA) and the Government Finance Officers Association (GFOA). The City Council shall select an independent firm of certified public accountants to perform an annual audit of all operations. The City shall continue to participate in the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting program and the Texas

Comptroller's Office Leadership Circle program promoting financial transparency.

The City will follow a five-year review and optional rotation of external (independent) auditors. The auditors must demonstrate that they have the experience and adequate staffing to handle the City's audit in a timely manner. The audited financial statements should be prepared within 120 days of the close of the fiscal year.

Annual reporting will be done within the guidelines set forth in the Governmental Accounting and Auditing Financial Review and under the standards currently being set by the Governmental Accounting Standards Board. Interim activity reports will be made available to council and management.

Full disclosure will be provided in the financial statements and bond representations.

Financial systems will be maintained to monitor expenditures and revenues on a monthly basis with a thorough analysis and adjustment (if required) at mid-year.

The City will strive to maintain accounting policies and practices in the preparation of its annual financial report. The report will be presented to the Governmental Finance Officers Association for review of qualifications that meet those necessary to obtain the Certificate of Achievement for Excellence in Financial Reporting.

XII. Internal Controls

The Chief Financial Officer is responsible for developing citywide written guidelines on accounting, cash handling, and other financial matters that will be approved by the City Manager. The Chief Financial Officer will assist department heads as needed in tailoring these guidelines into detailed written procedures to fit each department's specific requirements.

Each department head is responsible to ensure that good internal controls are followed throughout his or her department, that all finance department guidelines on accounting and internal controls are implemented, and that all independent auditor internal control recommendations are addressed.

XIII. Risk Management

The City will utilize a safety program, an employee health program and a risk management program to prevent and/or reduce the financial impact on the City from claims and losses. Transfer of liability for claims will be utilized where appropriate via transfer to other entities through insurance and/or by contract. Prevention of claims through the safety program and the employee health program will be employed.

XIV. Operating Budget

The City shall establish an operating budget, which shall link revenues and expenditures to the goals of the City Council. It will be the City's goal to participate in the Government Finance Officers Association's Distinguished Budget Presentation Award program and to obtain the award annually.

Current operating revenue will be sufficient to support current operating expenditures. Debt or bond financing will not be used to finance current expenditures. Deferrals, short-term loans, or one-time sources shall be avoided as budget balancing techniques. Annually recurring revenue will not be less than annually recurring operating budget expenditures (operating budget minus capital outlay) or Council may authorize the City Manager to utilize unrestricted fund balance to make up the difference.

The City has developed a program to integrate performance measures and productivity indicators within the annual budget.

XV. Five Year Financial Plans

Capital Improvement Plan

The City shall prepare annually a five year Capital Improvements Plan that incorporates all capital funds, existing and planned, showing planned projects by phase and by fiscal year. The first year of this CIP shall constitute the City's capital budget for the year.

Long Range Financial Forecast

The City shall prepare annually a Long Range Financial Forecast that projects revenue and expenditures for the General, Utility, Debt Service and any other major fund for a five year period. The forecast shall attempt to determine the impact on future revenue and expenditures from changes in the economy, population change, and implementation of the CIP including planned bond sales.

FUND STRUCTURE

FUND STRUCTURE

City of Lancaster

City of Lancaster

Fund Structure

The City's financial structure is organized on a fund or account group basis. Each fund is independent of all others and is created to account for the receipt and use of specific revenues. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balanced/retained earnings, revenues, and expenditures. The City exercises budgetary control over governmental and proprietary fund types.

Governmental Fund Types

The funds are used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities – except those accounted for in proprietary or fiduciary funds. The measurement focus in these fund types is on the determination of financial position rather than net income determination. There are four government fund types: general funds, special revenue funds, debt service funds, and capital project funds.

General Funds

I. General Operating Fund (01)

This fund is used to account for all financial resources except those required to be accounted for in another fund. This fund accounts for the majority of government operations, and is made up of a wide variety of revenue sources. The resources of the General Fund are largely expended and replenished on an annual basis. The General fund is divided into 6 major divisions.

A. General Government Division

- City Council
- City Secretary
- Office of the City Manager
- Legal
- Finance
- Purchasing
- Human Resources
- Municipal Court
- Equipment Services & Facilities

B. Public Safety Division

- Police
- Emergency Communications
- Fire
- Emergency Management
- Fire Marshal
- Civil Service
- City Marshal

C. Public Works Division

- Streets

D. Planning and Development Division

- Planning
- Building Inspections
- Code Compliance
- Animal Services

E. Community Services Division

- Parks Operations

F. Non-Departmental Division

- Non-Departmental
- Transfers

II. Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted to expenditures for specific purposes.

A. Police Seized Fund (11)

This fund accounts for financial resources to be used by the Police Department for special investigations. Resources are provided by the confiscation of illegally obtained merchandise and other contraband.

B. Hotel/Motel Occupancy Fees Fund (14)

Revenue from hotel/motel occupancy taxes provide the resources used for city promotions. Expenditures include funding the Lancaster Convention and Visitors Center.

C. Emergency 911 Fund (21)

The Emergency 911 Fund accounts for financial resources to be used for emergency communications for public safety.

D. Stormwater Drainage Fund (53)

The Stormwater Drainage Fund accounts for the costs associated with providing water drainage to the streets and land of the City of Lancaster. Revenues are provided by Stormwater drainage fees assessed.

III. Street Maintenance Fund (04)

These funds are used for the purpose of maintenance of the City's transportation system.

IV. Debt Service Funds

These funds are used to account for the accumulation of resources for, and the payment of principal, interest, and related costs of general long-term liabilities

A. General Obligation Debt Service Fund (02)

The General Obligation Debt Service Fund accounts for the accumulation and payment of debt related to General Fund activities. The revenue is provided by ad valorem taxes on an annual basis.

B. Water and Sewer Debt Service Fund (05)

C. Airport Debt Service Fund (09)

D. Type A/LEDC Debt Service Fund (16)

E. Type B/LRDC Debt Service Fund (17)

F. Storm Water Debt Service Fund (53)

V. Capital Improvement Funds

These funds are used to account for financial resources associated with major capital facilities, construction and improvements.

A. Capital – Non Funded Debt (03)

B. Capital – Equipment Replacement Fund (15)

C. Capital – Streets Impact Fee Fund (40)

D. Capital – Citywide/Streets Improvements Fund (43)

This fund accounts for other major capital projects undertaken by the City of Lancaster, and tracks their associated costs. The primary source of revenue for this fund is the sale of general obligation bonds and certificates of obligation.

The Capital Streets Improvement Fund is used to account for resources and costs associated with street and drainage improvements. The primary source of revenue for this fund is the sale of general obligation bonds. Funds are derived from the voter approved 2007 bond program.

E. Capital – Public Improvements Fund (44)

This fund accounts for major public improvements for Public Works such as road, bridge, and sidewalk projects. The primary source of revenues for this fund is from the sale of general obligation bonds.

F. Capital – Water/Sewer Bond Fund (49)

2011 CO Bond for the construction of the Water Tower and Waterline improvements.

Proprietary (Enterprise) Type Funds

Proprietary funds are used to account for the operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses plus depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The City's water and wastewater system, regional airport operations, golf course, and their respective debt service obligations are examples of proprietary funds.

I. Water and Wastewater Fund Operating Fund (05)

These funds account for water and wastewater services provided to the residents of the city. All activities necessary to provide such services are accounted for as a proprietary fund. This fund accounts for all operations associated with the utility services of the city.

A. Public Works Administration / Engineering (02)

B. Utility Billing Administration (20)

C. Water Operations (21)

D. Wastewater Operations (30)

E. Water and Wastewater Non-Departmental (22)

F. Meter Reading (27)

G. Utility Wholesale Costs (42)

H. Water/Wastewater Debt Service (50)

I. Transfers (80)

II. Airport Operating Fund (09)

The Airport Operating Fund accounts for all revenues and expenditures related to the Lancaster Regional Airport.

III. Golf Course Operating Fund (18)

The Golf Course Operating Fund accounts for all revenues and expenditures associated with the Country View Golf Course.

IV. Sanitation Operating

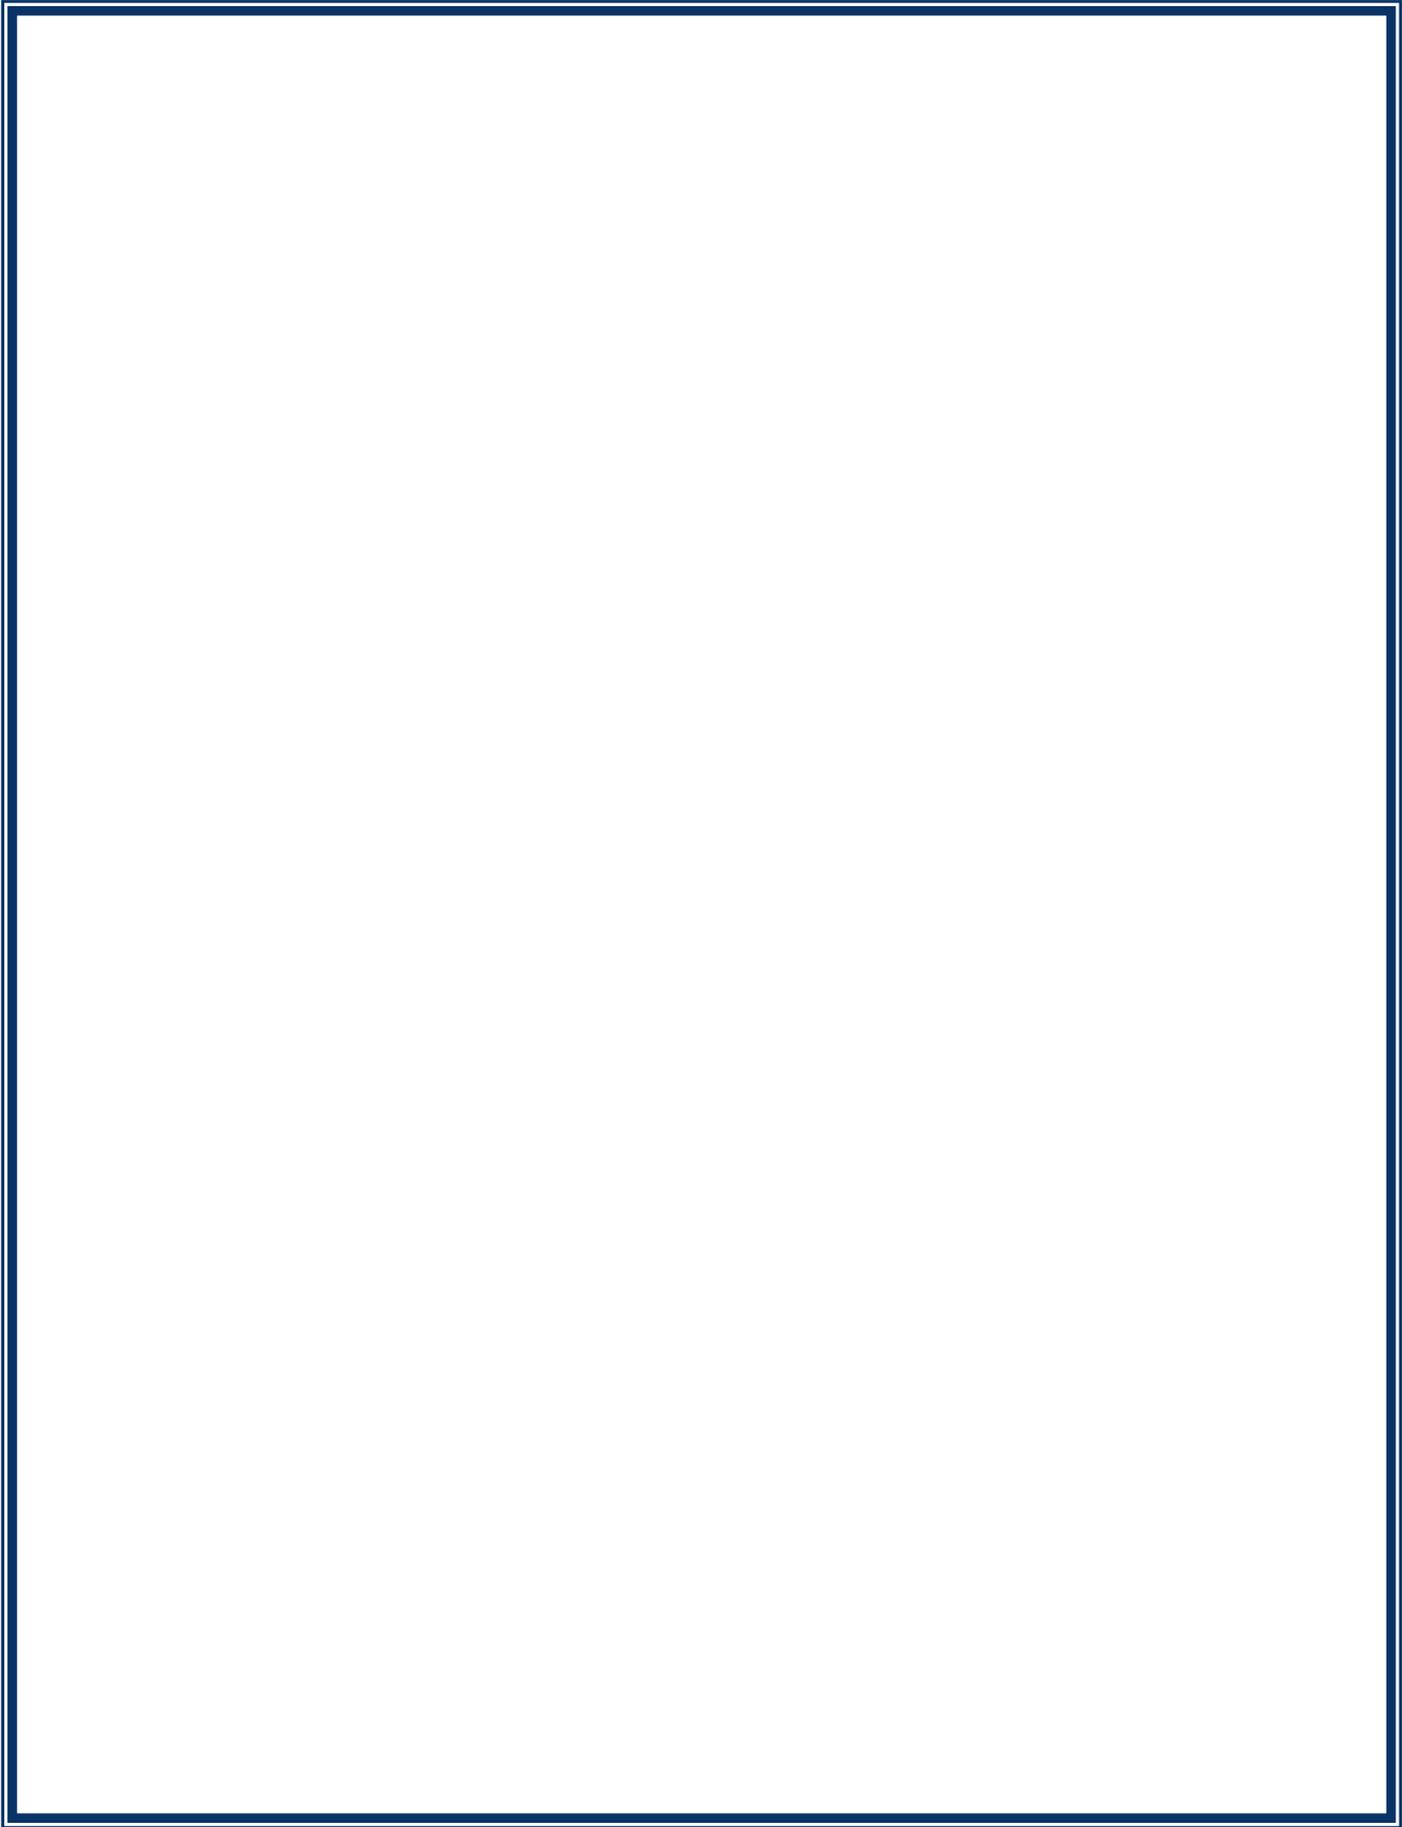

Fund (19) Component Units

I. Type A/Lancaster Economic Development Corporation Fund (16)

The Type A Fund provides the support and resources for the operation of the Lancaster Economic Development Corporation (LEDC). Revenues are provided by ¼ cent sales tax, and support the promotion and development of new and expanded business enterprises in the city.

II. Type B/Lancaster Recreational Development Corporation Fund (17)

The Type B Fund provides the support and resources for the operation of the Lancaster Recreational Development Corporation (LRDC). Revenues are provided by ½ cent sales tax, and support the promotion of recreational opportunities such as recreation center, library, senior life center, and their associated maintenance, operations and debt.

City Council

Organization Chart

Department Narrative

The City of Lancaster operates under a Home Rule City Charter. Regular City Council meetings are held on the second and fourth Monday of each month, with other meetings called as needed under the guidelines of the Texas Open Meetings Act. The City Council is made up of six single-member districts and a Mayor elected at-large. All members serve three-year staggered terms. The scope of the City Council's policy-making duties include: 1) Adoption of the annual tax rate, water and wastewater rates, annual operating budget, and regulatory ordinances; 2) Approval of contracts and agreements; and 3) Review and approval of the Council's rules of procedures. As provided by the City Charter, the City Council appoints a professional City Manager who is responsible for carrying out the policies set by Council, and for the effective administration of all departments. The City Manager is also charged with the enforcement of all laws and ordinances of the City. The City Council also appoints the Municipal Judge, City Attorney and City Secretary. The Council makes appointments to a number of standing boards, commissions, committees and ad hoc committees as it deems necessary or as State law mandates. Members of such boards, commissions and committees serve in an advisory capacity to City Council or carry out the functions of government as provided by law.

Department Narrative

The Equipment & Facility Services Department is responsible for routine maintenance and repair of all city buildings and facilities. The department manages professional service contracts with individual contractors to complete major repairs, maintenance of HVAC, janitorial services, electrical, plumbing, security monitoring systems, and electricity usage.

Goals

City Council Goals

- Healthy, Safe & Engaged Community
- Sound Infrastructure

Departmental Goals

- Reduce maintenance costs of heating and air conditioning equipment systems by performing routine maintenance of filters, motors, coils, etc. through a yearly HVAC contract
- Secure the lowest cost and the most reliable and dependable contractors, when maintenance of city facilities requires out-sourcing expertise
- Establish operation and maintenance cost for municipal buildings and facilities.
- Monitor and review all charges for materials and labor cost to ensure compliance with contracts
- Evaluate all annual contracts to ensure most efficient use of city funds and resources
- Develop a preventative maintenance schedule for all municipal buildings to include inspection of ceilings, lighting, plumbing, electrical, structural, and exteriors.
- Provide prompt response to request for repairs and maintenance issues
- Maintain safe, clean facilities for our citizens and employees
- Plan, develop and implement a scheduled replacement program for replacement of equipment and fixtures
- Develop and implement a 5% energy consumption reduction plan for all city buildings

Department Narrative

The Planning Division is the primary coordinating element working to integrate political, economic, and physical conditions of the community into a system for land use and development ensuring long-term sustainability. Planning strives to facilitate decision-making, minimize conflicts between developments, improve efficiency of available resources, forecast service needs, and ensure that development occurs in a rational and coordinated manner. Planning staff is able to accomplish its goals by providing clear technical assistance and professional advice to city officials, citizens and developers. Information is collected, analyzed and disseminated regarding residential and non-residential growth. Greater emphasis is also being devoted to long range planning efforts in estimating population trends, modeling development trends, and comparing competing development interests in order to create diverse remedies for problems that may arise.

Department Narrative

The Animal Services Division works closely with residents to obtain and encourage continued compliance with the city and state laws. The main focus is on domestic animals, but officers are also trained to assist customers with birds, coyotes and other species, with the employment of full-time and part-time Animal Services Officers (ASOs). Staff also organizes low cost veterinarian services and adoption events periodically that assist in controlling the growing population of stray animals in the city.

Department Narrative

The Code Compliance division seeks to achieve compliance with the property maintenance codes contained within the adopted International Property Maintenance Code (IPMC) and the Lancaster Code of Ordinances. IPMC outlines minimum standards on existing structures and properties in both residential and commercial properties within the City. Code Compliance seeks adherence of these standards which assist in eliminating the City of unhealthy and unsanitary living and working conditions. By their efforts they help maintain property values in the City.

Department Narrative

The Fire Marshal is an essential element in our Community Risk Reduction efforts. Some of the Fire Marshal's key functions include: managing fire prevention and education programs including safety inspections and school and community fire prevention education; approving building plans and ensuring that buildings meet the fire code; participates in certificate of occupancy process; investigates fire causes, determines if arson and files charges in such cases; works with outside agencies to collaborate and ensure best practices in fire codes and investigation practices.

Goals			
City Council Goals:			
<ul style="list-style-type: none"> • Healthy, Safe & Engaged Community • Quality Development 			
Departmental Goals:			
<ul style="list-style-type: none"> • Continue our assessment of the hazards in the community. • Consult with prospective builders on fire code requirements and insurance requirements. • Review and issue permits for dangerous processes such as hazardous materials, fireworks, and new fuel • Investigate fires within the city not only to determine the cause of the fire, but also if a certain product is a fire hazard. • Educate youths and adults through fire prevention classes using printed material and the educational mobile fire house. • Serve on the Development Review Committee.

Department Narrative

The Water Division works to maintain and operate the City's water distribution system in a manner that provides a safe working environment for the field personnel and continuous service to the customers of the City and maximizes the investment in the system through the use of properly trained, experienced, and certified employees and necessary equipment. The Division checks for leaks in the water mains and water lines on a regular basis. The Water Division works with all utility companies and contractors to locate all city services and review plans for construction to ensure proper size of water mains; proper number of fire hydrants; and proper numbers and locations for services and design.

Department Narrative

The Wastewater Division seeks to fulfill the requirements of the Clean Water Act that all cities must have in an ongoing pretreatment program. The program affects any industry that discharges processed wastewater into the sanitary system and whose process uses or produces toxic materials or causes that facility's sewage to be stronger than normal wastewater. The Wastewater Division is a program oriented operation, with the responsibilities of plan review, industrial pretreatment program, preventative cleaning, video inspection, point repair and inflow & infiltration reduction.

Department Narrative

The Department of Economic Development provides for the recruitment of new business ventures, the expansion and retention of existing industry and the evaluation of requests for incentives from business ventures seeking to create, expand or relocate commercial operations to Lancaster. The department administers the Type A Economic Development sales tax as its primary source of funding. The Department's services are a community resource and are provided at no charge. Review and evaluation of incentive requests is overseen by a five member board of directors. The Board reviews applications for Type A incentives and recommend projects for funding to the City Council for approval.

Department Narrative

This department accounts for the research and marketing activities associated with the Lancaster Economic Development – Type 4A (LEDC) programs. Data is analyzed to help determine the strength of the market for a variety of business investments and shared with developers. Information is disseminated by the department through various means including in-person meetings, email, at trade shows, and telecommunication engagement. Due to the wide array of data required for economic development purposes, the department serves as a resource to multiple City departments that require specific information from time-to-time.

Department Narrative

The Recreation Department's Youth Day Camp is a full cost recovery program that provides after school enrichment and summer day camp programs for school age youth. Revenues for this are generated through participant registration which covers the cost of staff, supplies, transportation, field trips and nutritional snacks. This program is in alignment with the City Council strategic goal of a Healthy, Safe and Engaged community.

Department Narrative

The Stormwater Division strives to deliver support to the maintenance and upgrade of the stormwater drainage systems. The stormwater division will ensure all drainage systems from roadside ditches, alleys, stormwater drainage inlets and main lines under roadway pavement, drainage easements and natural creeks flow unimpeded from the source to the Ten Mile Creek Basin and then finally to the Trinity River.

Goals				
City Council Goals				
<ul style="list-style-type: none"> • Sound Infrastructure • Quality Development 				
Departmental Goals				
<ul style="list-style-type: none"> • Identify drainage problem areas for more efficient maintenance • Monitor the condition of drainage systems, schedule maintenance, and perform routine clearing of debris to ensure appropriate flow of rainwater • Identify and correct erosion of embankments • Ensure contaminants are contained, and assist the Engineering Division in the compliance with State and mandated storm-water pollution prevention requirements

General long-term debt consists of the following: capital leases; liabilities for accrued vacation leave; general obligation bonds and certificates of obligation, which are direct obligations; issued on the full faith and credit of the City. Principal and interest payments on the general obligation bonds and certificates of obligation are secured by ad-valorem taxes levied on all taxable property within the City, and surplus revenues of the Water and Sewer Fund and Airport Fund. A portion of the general obligation bonds has been issued on behalf of the Water and Sewer Fund. Although these bonds are secured by the full faith and credit of the City and have no specific claim against Water and Sewer Fund assets, debt service requirements are provided by the Water and Sewer Fund. Accordingly, this debt is reflected as an obligation of the Water and Sewer Fund.

For the governmental activities, compensated absences and net pension liabilities are generally liquidated in the General Fund and Stormwater Fund. The total OPEB liability is generally liquidated in the General Fund.

Notes to Basic Financial Statements
September 30, 2019

The city has pledged future water customer revenues, net of specified operating expenses, to repay \$7.6 million in water system revenue bonds issued in 2011. Proceeds from the bonds provided financing for the improvement to the Airport. The bonds are payable solely from water customer net revenues and are payable through 2032. Annual principal and interest payments on the bonds are expected to require less than 25 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$6,309,555. Principal and interest paid for the current year was \$494,456. Total water and sewer customer net revenues for the current year were 3,867,001.

ORDINANCE NO. 2020-09-34

AN ORDINANCE OF THE CITY OF LANCASTER, TEXAS, ESTABLISHING CIVIL SERVICE ASSIGNMENT PAY WITHIN THE POLICE DEPARTMENT; ESTABLISHING CERTIFICATION PAY FOR THE POLICE AND FIRE DEPARTMENTS; PRESCRIBING THE DESCRIPTION AND RATES OF PAY FOR EACH SPECIALIZED ASSIGNMENT AND/OR CERTIFICATION; PROVIDING FOR SEVERABILITY; PROVIDING A REPEALER; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Chapter 143 of the Texas Local Government Code, the City Council shall establish certain assignment pay and shall prescribe the rate of pay in each of these classifications by ordinance; and

WHEREAS, the City Council has reviewed and approved a budget for the City for fiscal year beginning October 1, 2020 and ending September 30, 2021; and

WHEREAS, such budget contains a program of planned expenditures and for authorized positions within the police and fire departments, including programmed changes to the operations and human resources of those departments; and

WHEREAS, it is the express intent of the City Council that the city provide for civil service assignment pay for special assignments made by the Department Head and approved by the City Manager; and

WHEREAS, § 143.042 of the Texas Local Government Code states that the governing body of a municipality may authorize assignment pay for fire fighters or police officers who perform specialized functions in the Fire or Police Department; and,

WHEREAS, § 143.042 (c) of the Texas Local Government Code requires that the governing body must set forth in an ordinance the amount of assignment pay and the conditions under which it is to be payable to members of the Fire and Police Departments; and,

WHEREAS, § 143.043 of the Texas Local Government Code permits municipalities to authorize assignment pay for members of the Police Department who perform the duties and responsibilities of the field training officer program; and

WHEREAS, §143.044(b) of the Texas Local Government Code permits municipalities to authorize certification pay for fire fighters and police officers who possess certifications, and the governing body must set forth in an ordinance the amount of certification pay and the certifications for which it is to be payable to members of the Fire and Police Department; and

WHEREAS, such budget contains a program of planned expenditures and for authorized assignment pay within the police and fire departments, including programmed

changes to the operations and human resources of those departments;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS:

SECTION 1. That City Council hereby establishes the assignment pay within each classification for the police department is set forth as follows:

A) The assignment of "Criminal Investigator-Detective" is a specialized function within the Lancaster Police Department and that assignment involves investigating higher grade misdemeanors and felonies for prosecution in County and District Court. When a member is designated by the Police Chief or his designee to serve as "Criminal Investigator—Detective" for the Department, that member is entitled to receive \$80.00 per pay period as "CID" assignment pay.

B) The assignment of "Field Training Officer" is a specialized assignment within the Lancaster Police Department. The assignment of "Field Training Officer" involves training and evaluating police recruits on the policies, practices, and procedures of the Lancaster Police Department. The Police Chief or his designee assigns capable Police personnel to this position of responsibility in accordance with his or her demonstrated knowledge and familiarity with the Field Training Officers Program. Because the assignment of "Field Training Officer" requires additional and specialized duties, when a member holds the appropriate certifications AND is designated in writing by the Police Chief or his designee to serve as a "Field Training Officer," that member is entitled to receive an additional \$80.00 per pay period as "FTO Assignment Pay."

C) The assignment of "Canine Officer" is a specialized function/assignment within the Lancaster Police Department and that assignment involves training and utilizing Canine officers. When a member is designated by the Police Chief or his designee to serve as "Canine Officer" for the Department, that member is entitled to receive \$80.00 per pay period as "K9" assignment pay.

D) The assignment of "Community Relations Officer" is a specialized assignment within the Lancaster Police Department and that assignment involves engaging the community outside of a normal assigned schedule to provide a direct link with the Lancaster Police Department. When a member of the Lancaster Police Department is designated by the Police Chief or his designee in writing to serve as "Community Relations Officer" for the Department, that member is entitled to receive \$80.00 per pay period as "CR" assignment pay.

SECTION 2: That City Council hereby establishes the paramedic pay within each classification for the fire department is set forth as follows:

A) The assignment of "Paramedic Pay" is a specialized function within the Lancaster Fire Department and that assignment involves providing advanced emergency medical care. Members certified by the Texas Department of State Health Services (TDSHS) is entitled to receive \$80.79 per pay period as "PII" certificate pay.

SECTION 3: That City Council hereby establishes the certification pay within each classification for the fire and police department is set forth as follows:

A) The assignment of "Language Skills Assignment Pay" to Police Officers and Fire Fighters who have demonstrated through a validated third party verification process the ability to communicate in a foreign language beneficial to the Citizens of Lancaster as identified through the most recent U.S. Census as well as American Sign Language; and whose assignment requires that he or she utilize those skills, is entitled to receive \$32.31 per pay period for Language Skills 2 "LS2" assignment pay for verbal, reading and writing; or \$16.51 per pay period for Language Skills 1 "LS1" verbal assignment pay.

B) The assignment of Certificate Pay for Police Officers and Fire Fighters with a current certification issued by the Texas Commission on Law Enforcement (TCOLE) or Texas Commission on Fire Protection (TCFP) that member is entitled to receive \$23.25 per pay period for intermediate certificate, or \$46.25 per pay period for advanced certificate, or \$69.25 for master certificate.

SECTION 4: That City Council hereby establishes that terms of this ordinance and/or any payment of "assignment pay" do not apply to a member who is performing any of these duties on a "step-up," "acting" or any other temporary basis.

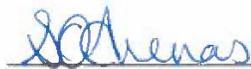

SECTION 5. Severability: If any provision, section, clause, sentence, unenforceable or phrase of this ordinance is for any reason held to be unconstitutional, void, invalid, or the validity of the remainder of this ordinance or its application shall not be affected, it being the intent of the City Council in adopting this ordinance that no portion, provision, or regulation contained herein shall become inoperative or fail by way of reasons of any unconstitutionality or invalidity of any other portion, provision, or regulation.

SECTION 6. Repealer: That all other ordinances, section, or parts of ordinances heretofore adopted by the City of Lancaster in conflict with the provisions set out above in this ordinance are hereby expressly repealed or amended as indicated.

SECTION 7. This ordinance shall take effect on October 1, 2020.

RESOLUTION NO. 2020-09-71

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS, RATIFYING THE BUDGET FOR THE FISCAL YEAR 2020/2021 AS A RESULT OF THE CITY RECEIVING MORE REVENUES FROM PROPERTY TAXES IN THE 2020/2021 BUDGET THAN THE PREVIOUS FISCAL YEAR; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, following public notice duly posted and published in all things as required by law, a public hearing was held, by and before the City Council of the City of Lancaster, the subject of which was the proposed budget for the City of Lancaster for Fiscal Year 2020/2021; and

WHEREAS, Texas Local Government Code section 102.005(b) and section 102.007(c) passed as House Bill 3195, as adopted at the Regular Session of the 80th Legislature) requires specific language and a separate vote on a budget that will require raising more revenue from property taxes than previous year,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS:

SECTION 1. The City Council hereby ratifies, by a record vote, the adoption of a budget for Fiscal Year 2020/2021 which results in an increase of revenues from property taxes than the previous year, with the following declaration:

Based on the Tax Rate of \$0.819736

“THIS BUDGET WILL RAISE MORE TOTAL PROPERTY TAXES THAN LAST YEAR'S BUDGET BY \$1,847,032 OR 7.26%, AND OF THAT AMOUNT, \$889,734 IS TAX REVENUE TO BE RAISED FROM NEW PROPERTY ADDED TO THE TAX ROLL THIS YEAR”

SECTION 2. This Resolution shall become effective immediately from and after its passage, as the law and charter in such cases provides.

DULY PASSED and approved by the City Council of the City of Lancaster, Texas, on this the 21st day of September, 2020.

BUDGET GLOSSARY

City of Lancaster

Budget Glossary

Account Number (or Code): A ten or eleven digit number and individual account title assigned for accounting purposes.

Accounting System: The total set of records and procedures that are used to record, classify, and report information on an entity's financial status and operations.

Accrual Basis of Accounting: The method of accounting under which revenues are recorded when they are earned (regardless of when cash is received) and expenditures are recorded when goods and services are received (regardless if disbursements are actually made at that time).

Activity: A specific and distinguishable service performed by a department in order to accomplish a function for which it is responsible.

Activity and Athletic Fund: A fund created to account for financial resources to be used for community services. These include recreation classes, aquatics, and athletics.

ADA: Americans with Disabilities Act.

Adjusted Budget: Denotes adjustments to line item accounts within a fund/department. These are usually made throughout the year as needed to help managers and the control of expenditures within their budget.

Ad Valorem Tax: A tax computed from the assessed valuation of land and betterments within a taxing jurisdiction and subject to taxation on January 1.

Ad Valorem Tax Ordinance: The official enactment by the legislative body establishing the legal tax rate percentage applied to all taxable property.

Adopted Budget: Denotes City Council approved revenue and expenditure estimates for fiscal year indicated.

Airport Operating Fund: A fund established to account for the construction and operation of the airport. It is operated in a manner similar to private business enterprise where the intent is cost recovery.

Airport Debt Service Fund: Established to accumulate the resources for retirement of debt. Sources are transferred from the Airport Operating Fund.

Amended Budget: Denotes midyear revenue and expenditure estimate revisions from the adopted or adjusted budget of the fiscal year indicated.

Appropriation: An authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and is limited to a one year period.

Arbitrage: The simultaneous purchase and sale of the same or an equivalent security in order to profit from price discrepancies. In government finance, the most common occurrence of arbitrage involves the investment of the proceeds from the sale of tax-exempt securities in a taxable money market instrument that yields a higher rate, resulting in interest revenue in excess of interest costs.

Assessed Valuation: A valuation set upon real estate or other property by the Dallas Central Appraisal District as a basis for levying taxes.

Assets: Resources owned or held by the City which have a monetary value.

Annual Financial Report: A financial report applicable to a single fiscal year.

Audit: A systematic examination of resource utilization concluding in a written report (CAFR). It is a test of management's internal accounting controls and is intended to:

- ascertain whether financial statements fairly present financial position and results of operations;
- test whether transactions have been legally performed;
- identify areas for possible improvements in accounting practices and procedures;
- ascertain whether transactions have been recorded accurately and consistently, and;
- ascertain the stewardship of officials responsible for governmental resources.

Automated Clearing House: ACH is an electronic network for financial transactions in the United States. It is the primary EFT system used.

Balance Sheet: A statement purporting to present the financial position of an entity by disclosing the value of its assets, liabilities, and equities as of a specified date.

Balanced Budget: A budget adopted by the legislative body and authorized by ordinance where the proposed expenditures are equal to or less than the proposed revenues.

Basis of Accounting: A term used to refer to when revenues, expenditures, expenses, and transfers, and the related assets and liabilities, are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement, on either the cash or the accrual method.

Benefits: Payments to which employees may be entitled including vacation leave, sick leave, pension benefits, death benefits, and benefits due on termination of employment.

Bond: A written promise to pay a sum of money on a specific date(s) at a specified interest rate. The interest payments and the repayment of the principal are detailed in a bond ordinance.

Bond Covenant: A legally enforceable promise made by an issuer of bonds to the bondholder, normally contained in the bond resolution or indenture (e.g. pledged revenue).

Bond Indenture: A formal agreement, also called a deed or trust, between an issuer of bonds and the bondholder.

Bond Ordinance or Resolution: An ordinance or resolution authorizing a bond issue.

Bonded Debt: That portion of indebtedness represented by outstanding bonds.

Bridge Debt Service Fund: A general obligation debt service fund established to accumulate funds for retirement of certificates of obligation used for the construction of a bridge to promote future residential development. Proceeds are transferred from the General Obligation Debt Service Fund.

Budget: A financial plan of operations embodying an estimate of proposed means of financing it, for the period of one year. The "proposed budget" designates the financial plan initially developed by departments and presented by the City Manager to the Council for approval. The "adopted budget" is the plan as modified and finally approved by that body. The approved budget is authorized by ordinance and thus specifies the legal spending limits for the fiscal year.

Budget Calendar: The schedule of key dates or milestones that a government follows in the preparation and adoption of the budget.

Budget Document: The instrument used by the budget-making authority as the annual revenue expenditure plan for all funds.

Budget Message: The opening section of the budget which provides the City Council and the public with a general summary of the most important aspects of the budget, changes from previous fiscal years, and the views and recommendations of the City Manager.

Budget Ordinance: The official enactment, by the City Council to legally authorize City Staff to obligate and expend resources.

Budgetary Control: The control or management of the organization in accordance with an approved budget for the purpose of keeping expenditures within the limitation of available appropriations and revenues.

CAFR: Comprehensive Annual Financial Report.

Capital Assets: Assets of significant value with a useful life of several years. Capital assets are also called fixed assets.

Capital Improvement Program: A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or other capital needs. It sets forth each project or other contemplated expenditure in which the government is to have a part and specifies the resources estimated to be available to finance the projected expenditures.

Capital Outlay: Expenditures which result in the acquisition of or addition to fixed assets.

Cash Basis: The method of accounting under which revenues are recorded or recognized when received in cash, and expenditures are recorded or recognized when paid.

Certificate of Achievement for Excellence in Financial Reporting Program: A voluntary program administered by the GFOA to encourage governments to publish efficiently organized and easily readable financial reports and to provide technical assistance and peer recognition to the finance/budget officers preparing them.

Certificates of Obligation: Tax supported bonds that are similar to general obligation bonds and can be issued after meeting strict publication requirements and with final approval by the City Council.

Chart of Accounts: A complete listing of all individual account titles and account numbers used by a governmental entity in its accounting system.

CIP: Construction In Process.

City Charter: The document of a home rule city similar to a constitution, which establishes the

city's government structure and provides for the distribution of powers and duties among the various branches of government.

City Council: The Mayor and six Council members collectively acting as the legislative and policy-making body of the city.

City Sales Tax: Revenue of a sales tax at the rate of 1% of total sales tax collected by the state.

City Sales Tax - PTR (Property Tax Reduction): Revenue of a sales tax at the rate of .25% to be used as a property tax reduction.

Combined Summary Statement: A summary of two or more funds that include a total of the funds presented.

Comprehensive Annual Financial Report (CAFR): The official annual report of a government that includes the general purpose financial statements (GPFS) and other financial information that provides more detail of the aggregated totals included in the GPFS. The CAFR also includes an extensive introductory section and detailed statistical section that covers ten years of trend data for a variety of indicators.

Contractual Services: The costs related to services performed for the city by individuals, business, or utilities.

Contributed Capital: The permanent fund capital of a proprietary fund. Contributed capital forms one of two classifications of equity found on the balance sheet of a proprietary fund. Contributed capital is created when a residual equity transfer is received by a proprietary fund, when a general fixed asset is transferred to a proprietary fund or when a grant is received that is externally restricted to capital acquisition or construction. Contributions restricted to capital acquisition and construction and fixed assets received from developers and customers, as well as amounts of tap fees in excess of related costs, also would be reported in this category.

Current Taxes: Taxes levied and due within one year.

Debt Limit: The maximum amount of outstanding gross or net debt legally permitted.

Debt Refunding: A common transaction in the government environment where debt is issued, usually at lower interest rates or more favorable terms, and the proceeds are used to "refund" outstanding debt. There are current refundings, where the old debt is repaid immediately, or advance refundings, where the proceeds of the new debt are placed into an escrow account and used to repay the bondholders of the old debt according to the payback terms.

Debt Service Funds: Funds established to account for the accumulation of resources for, and the payment of long-term debt principal and interest.

Deferred Compensation Plan: Plans that offer employees the opportunity to defer receipt of a portion of their salary and the related liability for federal income taxes.

Deficit: The excess of an entity's liabilities over its assets, or the excess of expenditures or expenses over revenues during a single accounting period.

Delinquent Taxes: Taxes that remain unpaid on or after the date on which a penalty for non-payment is attached, i.e., tax statements are mailed out in October and become delinquent if unpaid by January 31.

Department: A major administrative organizational unit of the City which indicates overall management responsibility for one or more activities.

Depreciation: (1) Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence. (2) That portion of the cost of a capital asset which is charged as an expense during a particular period.

Disbursement: Payments for goods and services in the form of cash, check or electronic funds transfer.

Distinguished Budget Presentation Program: A voluntary program administered by the Government Finance Officers Association to

encourage governments to publish efficiently organized and easily readable budget documents and to provide peer recognition and technical assistance to the fiscal officers preparing them.

Division: A major administrative organizational unit of the city which indicates overall management responsibility for one or more departments.

Effective Tax Rate: A comparison of the previous year's tax rate with a rate for the current year that will impose the same amount of taxes overall whether the values go up or down. Calculating an effective rate does not require the taxing unit to distinguish between maintenance and operation (General Operating Fund) and debt expense (G. O. Debt Service Fund).

Electronic Funds Transfer (EFT): EFT is a system of transferring electronically money from one bank account directly to another without any paper money changing hands.

Emergency 9-1-1 Fund: A fund established to account for financial resources to be used for emergency communications for Public Safety.

EMS: Emergency Medical Services.

EMT: Emergency Medical Technician.

Encumbrance: Obligation in the form of purchase orders, contracts of salary commitments which are chargeable to an appropriation and for which a part of the appropriation is reserved. When paid, the encumbrance is liquidated.

Enterprise Fund: A fund established to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

EPA: Environmental Protection Agency.

Equipment Replacement Fund: Established to account for funds designated for the replacement of the city's fleet.

Expenditures: A decrease in the net financial resources of the City due to the acquisition of goods and service.

FAA: Federal Aviation Administration.

FICA: Federal Insurance Contributions Act. (Income deductions for Social Security.) The two parts of this include: OASDI-Old Age, Survivors, Disability Insurance; and Medicare-Health Insurance.

Financial Advisor: In the context of bond issuances, a consultant who advises the issuer on any of a variety of matters relating to the issuance. The financial advisor is sometimes referred to as a fiscal consultant.

Financial Policies: Financial policies are used to enable the city to achieve a sound financial position. They are in writing and are updated as needed.

Financial Resources: Cash and other assets that, in the normal course of operation, will become cash.

Fiscal Year: A twelve month period to which the Annual Budget applies. The City of Lancaster has established October 1 to September 30 as its fiscal year.

Fixed Assets: Long-lived tangible assets obtained or controlled as a result of past transactions, events or circumstances. Fixed assets include building, equipment, improvements other than buildings and land.

Fleet: Includes all city vehicles and off-road equipment.

FLSA: Fair Labor Standards Act.

Formal Bid: The formal bidding process is evidenced by strict controls and monitoring. Thresholds that determine whether a purchase or award of a contract requires formal bidding procedures are usually determined by state statute or local ordinance. The award of a contract or approval of a purchase that had to go through the formal bidding process usually requires direct approval of the entity's governing body.

Franchise Fees: A fee paid by public service utilities for use of public property in providing their services to the citizens of the community.

Fund: An accounting entity with a self-balancing set of accounts that recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. See Table of Contents where these are listed (with explanations) elsewhere in this document.

Fund Accounting: A governmental accounting system which is organized and operated on a fund basis.

Fund Balance: The excess of a fund's current assets over its current liabilities; sometimes called working capital in enterprise funds. A negative fund balance is often referred to as a deficit.

Fund Type: Categories into which all funds are classified in governmental accounting. These are: general, special revenue, debt service, capital projects, enterprise, internal service, trust and agency.

Funding: Provides budgetary resources to cover the total cost of a program or project at the time it is undertaken.

FY: Fiscal Year.

GASB: Governmental Accounting Standards Board.

General Ledger: A record containing the accounts needed to reflect the financial position and the results of operations of a government. In double entry bookkeeping, the debits and credits in a general ledger are equal.

General Long Term Debt: Long-term debt expected to be repaid from governmental funds.

Generally Accepted Accounting Principles (GAAP): Uniform minimum standards and guidelines for financial accounting and reporting. They govern the form and content of the financial statements of an entity. GAAP provide a standard by which to

measure financial presentations. The primary authoritative body on the application of GAAP to state and local governments is the Governmental Accounting Standards Board.

General Operating Fund: The fund used to account for all financial resources except those required to be accounted for in another fund. This fund includes police, fire protection, public works, parks and recreation, administrations, etc. Revenues include taxes, licenses and permits, etc.

General Obligation Debt Service Fund: The fund used to account for monies owed on interest and principal to holders of the city's general obligation bonds. The debt is supported by revenue provided from real property which is assessed through the taxation power of the local governmental unit.

GIS: Geographic Information System.

Goals: Broad, general statements of each department's desired social or organizational outcomes. These usually do not change from year to year. (See Objectives)

G.O. Debt: General Obligation Debt.

Golf Course Operating Fund: A fund established to account for the construction and operation of the Golf Course. It will operate in a manner similar to private business enterprises where the intent is cost recovery.

Golf Course Debt Service Fund: The fund used to account for monies owed on interest and principal to holders of bonds for the Golf Course debt. The debt is supported by revenue provided through a transfer from the General Obligation Debt Service Fund utilizing revenue provided from real property which is assessed through the taxation power of the local governmental unit.

Governmental Accounting Standards Board (GASB): The authoritative accounting and financial reporting standard-setting body for governmental entities.

Governmental Fund Types: Funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities - except those accounted for in

proprietary funds and fiduciary funds. In essence, these funds are accounting segregations of financial resources. Expendable assets are assigned to a particular governmental fund type according to the purpose for which they may or must be used. Current liabilities are assigned to the fund type from which they are to be paid. The difference between the assets and the liabilities of government fund types is referred to as fund balance. The measurement focus in these fund types is on the determination of financial position and changes in financial position (sources, uses and balances of financial resources), rather than on net income determination. The statement of revenues, expenditures and changes in fund balance is the primary governmental fund type operating statement. It may be supported or supplemented by more detailed schedules of revenues, expenditures and other changes in fund balance. Under current GAAP, there are four governmental fund types: general, special revenue, debt service, and capital projects.

Grant: A contribution of assets (usually cash) by one governmental entity (or other organization) to another to support a particular function. Grants may be classified as either categorical or block depending upon the amount of discretion allowed the grantee. A Grant-Funded Program is a program requiring any amount of State and/or Federal funds.

Hotel/Motel Occupancy Fees Fund: A fund established to account for financial resources to be used for city promotions. A tax is levied upon the occupancy of any room or space furnished by any hotel. Revenue from this tax is used by the city for promotional functions, including the Chamber of Commerce, and special promotional events.

HUD Section 8 Housing (Housing and Urban Development): Program to provide housing assistance. It was enacted a part of the Housing and Community Development Act of 1974, which recodified the U.S. Housing Act of 1937. Lancaster's program started in 1974.

Informal Bid: The informal bidding process typically includes solicitation of informal bids from prospective vendors. The governing board is usually not involved in the approval process and

the parameters the bidders must work within are less stringent.

Infrastructure: The underlying permanent foundation or basic framework.

Interest Earnings: The earnings from available funds invested during the year in U.S. Treasury Bonds, Government Agencies, and Certificates of Deposits.

Intergovernmental Revenues: Revenues from other governments in the form of grants, entitlements, shared revenues or payments in lieu of taxes.

Internal Control: A plan of organization for purchasing accounting, and other financial activities which, among others things, provides that:

- the duties of employees are subdivided so that no single employee handles a financial action from beginning to end;
- proper authorizations from specific responsible officials are obtained before key steps in the processing of a transaction are completed
- records and procedures are arranged appropriately to facilitate effective control.

Internal Service Fund: A fund used to account for the financing of goods or services provided by one city department or cost center to other departments, on a cost-reimbursement basis. The Equipment (Fleet) Replacement Fund is an example of internal service funds.

Interfund Transfer: Amounts transferred from one fund to another. This is sometimes referred to as indirect costs or overhead, and are made to recognize and account for the fact that one fund incurs untraceable costs directly associated with another fund. The transfer ensures that each fund pays its fair share of the costs to operate that fund. Transfers can be classified as residual equity transfers or operating transfers. A transfer is the preferred method to cover these costs and those associated with operating these funds.

Investment: Securities, bonds, and real property (land or buildings) purchased and held for the

production of income in the form of interest, dividends, rentals, or lease payments. The term does not include fixed assets.

Invoice: A bill provided by a vendor or contractor for goods or services rendered.

Materials and Supplies: Expendable materials and operating supplies necessary to conduct departmental activity.

LEDC (Lancaster Economic Development Corporation): A board created in August 1995. This board administers funds and projects for economic development in accordance with the 4-A Development Corporation Act of 1979, Article 5190.6.

4A-LEDC Fund: A fund used to account for administration, debt service and incentive programs for the LEDC.

LRDC (Lancaster Recreation Development Corporation): A board created in October 1995. This board administers funds and projects for developing and diversifying the recreational, educational, and cultural aspects of the city in accordance with the 4-B Development Corporation Act, Article 5190.6. Funding is received from .50% sales tax.

4B-LRDC (Lancaster Recreation Development Corporation) Fund: A fund used to account for administration, library, debt services, senior life center, recreation center and community park programs of the LRDC.

Levy: (1) Verb - to impose taxes, special assessments, or service charges for the support of government activities. (2) Noun - The total amount of taxes, special assessments, or service charges imposed by a government.

Liabilities: Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

Line Items: See Account Numbers (Codes).

LISD: Lancaster Independent School District.

Long Term Debt: Debt with a maturity of more than one year after the date of issuance. An average repayment schedule is 20 years.

Maturities: The dates on which the principal or stated values of investments or debt obligations mature and may be reclaimed.

Modified Accrual Basis: The accrual basis of accounting adapted to the governmental fund type spending measurement focus. Revenues are recognized when they become both "measurable" and "available to finance expenditures of the current period." Expenditures are recognized when the related fund liability is incurred except for (1) inventories of materials and supplies which may be considered expenditures either when purchased or when used; (2) prepaid insurance and similar items that may be considered expenditures either when paid for or when consumed. All governmental funds, expendable trust funds and agency funds are accounted for using the modified accrual basis of accounting.

Multi-Year Financial Plan: A financial overview with five years of projections for all operating funds is presented to city council in conjunction with budget workshops.

Municipal: Of or pertaining to a city or its government.

NCTCOG: North Central Texas Council of Governments.

Net Bonded Debt: Gross bonded debt less any cash or other assets, available and earmarked for its retirement and less all self-supporting debt (e.g., revenue bonds).

Note: A certificate pledging payment, issued by a government or bank.

Object Code: Expenditure classification according to the types of items purchased or services obtained; for example, personnel services, supplies, etc.

Maintenance: All materials or contract expenditures covering repair and upkeep of city buildings, machinery and equipment, computer systems, and land.

Objectives: Specific statements of desired ends which can be measured. Objectives are targets used to obtain department goals.

Official Statement: A document prepared by local information on the proposed bond sale. The official statement includes information about the creditworthiness of the issuing government, as well as the amount and purpose of the bond issue and the planned means of the debt service repayment.

Operating Budget: The portion of the budget that pertains to daily operations that provide the basic government services. The use of annual operating budgets is required by State Law.

Ordinance: A formal legislative enactment by the governing board of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Revenue raising measures, such as the imposition of taxes, special assessments and service charges, universally require ordinances. Ordinances and other legislation are not passed until the plans for and costs of endorsements are known.

Part-Time: Part-time employees work less than 30 hours per week and are not entitled to full-time employee benefits.

Per Capita Costs: The cost of service per person. Per capita costs are based on the population.

Performance Indicators: Financial ratios and non-financial information that identifies efforts, and gauges efficiencies and accomplishments of governments in providing services.

Performance Measures: Specific quantitative measures of work performed within an activity or program (e.g., total miles of street cleaned). Also, a specific quantitative measure of results obtained through a program or activity (e.g., reduced incidence of vandalism due to new street lighting program).

Prompt Payment Act: Adopted in July, 1985 by the State, the Act requires the city to pay for goods and services within 30 days of receipt of invoice or the goods or services, whichever comes later. If this is not satisfied, the city may be charged interest on the unpaid balance at the rate of 1% per month.

Property Taxes: Used to describe all revenues received in a period from current taxes, delinquent taxes, penalties and interest on delinquent taxes. Property taxes are levied on both real and personal property according to the property's valuation and tax rate.

Proprietary Fund Types: Sometimes referred to as income determination or commercial-type funds, the classification used to account for a government's ongoing organizations and activities that are similar to those often found in the private sector (i.e., enterprise and internal service funds). All assets, liabilities, equities, revenues, expenses and transfers relating to the government's business and quasi-business activities are accounted for through proprietary funds. GAAP uses are generally those applicable to similar businesses in the private sector and the measurement focus is on determination of net income, financial position and changes in financial position. However, where the GASB has issued pronouncements applicable to those entities and activities, they should be guided by these pronouncements.

Public Hearing: A formal meeting wherein the officials of the governing body hear the public's views and concerns about an action or proposal.

Purchase Order: A document issued to authorize a vendor or vendors to deliver specified merchandise or render a specified service for a stated estimated price. Outstanding purchase orders are called encumbrances.

Purchase Requisition: The initial purchase request document that, if approved, is the basis for the preparation of the official purchase order.

Personnel Services: The costs associated compensating employees for their labor (includes salaries and fringe benefits).

Rating Agencies: Independent rating services that evaluate the creditworthiness of government entities in the process of issuing bonded debt.

Refunding Bonds: Bonds issued to retire bonds already outstanding. The refunding bonds may be used to provide the resources for redeeming outstanding bonds, or the refunding bonds may be exchanged with the holders of the outstanding bonds,

Reimbursement: Repayment to a specific fund for expenditures incurred or services performed by that fund to or for the benefit of another fund.

Replacement Cost: The cost of an asset which can render similar service, but which need not be of the same structural form as the property to be replaced.

Request for Proposals/Quotations (RFP/RFQ): Formal requests that government entities use in procuring professional services and purchasing major items of equipment or awarding construction contracts. The requests specify the government's requirements for the services requested and the parameters the bidders must consider in submitting their bids for the contract.

Reserve: An account used to indicate that a portion of a fund balance is restricted for specific purpose.

Resolution: A special or temporary order of a legislative body. An order of a legislative body requiring less legal formality than an ordinance or statute. (See Ordinance)

Retained Earnings: An equity account reflecting the accumulated earnings of an enterprise or internal service fund.

Revenue: Funds that the government receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, interest income, etc.

Revenue Bonds: Bonds whose principal and interest are payable exclusively from a revenue source pledged as the payment source before issuance.

Revenue Estimate: A formal estimate of how much revenue will be earned from a specific revenue source for some future period (typically a future fiscal year).

Risk Management: An organized attempt to protect a government's assets against accidental loss in the most economic method.

Rollback Tax Rate: This is made up of two separate components. The maintenance and operation portion of the rollback tax rate is the tax rate that is needed to raise eight percent more operating funds than the unit levied in the preceding year. The debt rate portion is the tax rate that is needed to pay the debt payments in the coming year. This part of the calculation does not depend on the prior year debt taxes at all - it simply considers what the unit will actually need for the coming year.

ROW: Rights-of-Way.

Single Audit: An audit performed in conjunction with the Single Audit Act of 1984 and Office of Management and Budget (OMB) Circular A-128, Audits of State and Local Governments. The Single Audit Act requires governments to have one audit performed to meet the needs of all federal grantor agencies.

Special Assessment: A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

Special Investigation Fund: A fund established to account for financial resources to be used by the Police Department for special investigations.

Special Revenue Fund: A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts or for major capital projects) that are legally restricted to expenditures for specified purposes,

Stormwater Fund: A fund created to account for financial resources used for the operations, administration, and debt services for storm water drainage.

Street Improvements Capital Fund: A fund used to account for financial resources designated for street and drainage improvements and to assemble costs related to these improvements.

Supplemental Request: A request to budget an activity at a level above current service levels in order to achieve increased or additional objectives.

Tax Base: The total value of all real and personal property in the city as of January 1st of each year, as certified by the Appraisal Review Board. The tax base represents net value after all exemptions.

Tax Levy: The resultant product when the tax rate per one hundred dollars is multiplied by the tax base.

Tax Rate: A percentage applied to all taxable property to raise general revenue. It is derived by dividing the total tax levy by the taxable net property valuation.

TMRS: Texas Municipal Retirement System.

TNRCC: Texas Natural Resources Conservation Commission.

TRA: Trinity River Authority.

Trial Balance: A list of the balances of the accounts of a general ledger by debit and credit amounts.

TXDOT: Texas Department of Transportation.

User Charge: Charges or fees levied to recipients of a particular service (e.g., water, wastewater, waste collection).

W & S: Water and Sewer.

Water and Sewer Fund: A fund created to account for financial resources used for the operations and specific projects of a pump station, storage reservoir, elevated storage tank, waterline improvements, and debt service. It is operated in a manner similar to private business enterprises where the intent is cost recovery.

Working Capital: The amount of current assets which exceeds current liabilities.

Yield: The rate earned on an investment based on the price paid for the investment, the interest earned during the period held, and the selling price or redemption value of the investment.

RESOLUTION NO. 2020-09-73

A RESOLUTION APPROVING AND ADOPTING THE CITY OF LANCASTER INVESTMENT POLICY; PROVIDING THAT ALL FUNDS OF THE CITY BE MANAGED AND INVESTED IN A MANNER THAT SERVES TO SATISFY THE REQUIREMENTS OF THE LOCAL GOVERNMENT CODE CHAPTER 2256, (PUBLIC FUNDS INVESTMENT ACT); PROVIDING THAT THE SAME SHALL BE IMPLEMENTED; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, The City of Lancaster Investment Policy is reviewed annually as part of the budget preparation process; and

City of Lancaster, Texas
INVESTMENT POLICY
September 28, 2020

City of Lancaster, Texas Investment Policy

I. Purpose

The purpose of this document is to set forth specific investment policy and strategy guidelines for the City of Lancaster, Texas, the Lancaster Economic Development Corporation (LEDC), and the Lancaster Recreation Development Corporation (LRDC) in order to achieve the objectives in order of priority; safety, public trust, liquidity, diversification, and yield for all investment activity. This policy ensures compliance with Chapter 2256, Public Funds Investment Act of the Texas Government Code to define, adopt and annually review the investment policy of the city.

II. Policy Statement

It is the policy of the City of Lancaster that the administration of its funds and the investment of those funds shall be handled as its highest public trust. Investments shall be made in a manner which will provide the maximum security of principal invested through limitations and diversification while meeting the daily cash flow needs of the City and conforming to all applicable state statutes governing the investment of public funds.

The receipt of a market rate of return will be secondary to the requirements for safety and liquidity. It is the intent of the City to be in complete compliance with local law and the Texas Public Funds Investment Act ("The Act"). The earnings from investment will be used in a manner that best serves the interest of the City.

III. Scope

This investment policy applies to all the financial assets and funds of the City. The City commingles its funds into one pooled investment fund for investment purposes for efficiency and maximum investment opportunity. These funds shall be defined in the City's Annual Financial Report and any new funds created by the City unless specifically exempted by the City Council and this policy.

IV. Objective and Strategy

The City shall manage and invest with five primary objectives, listed in order of priority: safety, public trust, liquidity, diversification and yield. Investments are to be chosen in a manner which promotes diversity by market sector, credit and maturity. The choice of high-grade government investments and high-grade money market instruments is designed to assure the marketability of those investments should liquidity needs arise. To match anticipated cash flow requirements the maximum

weighted average maturity of the overall portfolio may not exceed six months.

A. Safety

Safety of principal is the foremost objective of the City. Investments of the City shall be undertaken in a manner that seeks to insure the preservation of capital in the overall portfolio.

B. Public Trust

All parties of the City's investment process shall seek to act responsibly as custodians of the public trust. Investment advisors and officials shall avoid any transaction that might impair public confidence in the City's ability to govern effectively and maintain a sound, sustainable city government.

C. Liquidity

The City's investment portfolio will be based on a cash flow analysis of needs and will remain sufficiently liquid to enable it to meet all operating and debt/bond requirements which might be reasonably anticipated.

D. Diversification

Diversification of the portfolio will include diversification by maturity and market sector and will include the use of a number of broker/dealers for diversification and market coverage. Competitive bidding will be used on each sale and purchase.

E. Yield

The City's investment portfolio shall be designed with the objective of attaining a market rate of return, taking into account the City's risk constraints and the cash flow needs of the portfolio. "Market rate of return" may be defined as the average yield of the current sixmonth U.S. Treasury bill.

Additional priorities are: (1) understanding of the suitability of the investment to the financial requirements of the city; and (2) marketability of the investment if the need arises to liquidate the investment before maturity.

Effective cash management is recognized as essential to good fiscal management. Cash management is defined as the process of managing monies in order to ensure maximum cash availability. The City shall

maintain a comprehensive cash management program which includes collection of accounts receivable, prudent investment of its available cash, disbursement of payments in accordance with invoice terms and the management of banking services.

V. Legal limitations, Responsibilities and Authority

Direct specific investment parameters for the investment of public funds in Texas are found in the Public Funds Investment Act, Chapter 2256, Texas Government Code, (the "Act"). The Public Funds Collateral Act, Chapter 2257, Texas Government Code, specifies collateral requirements for all public funds deposits. All investments will be made in accordance with these statutes.

VI. Standards of Care

A. Delegation of Investment Authority

The Chief Financial Officer, acting on behalf of the City is designated as the Investment Officer of the City and is responsible for investment management decisions and activities. The Director of Finance is designated as the Chief Financial Officer for the City of Lancaster. The Chief Financial Officer is also responsible for considering the quality and capability of staff, investment advisors, and consultants involved in the investment management and procedures. All participants in the investment process shall seek to act as a prudent person as custodian of the public trust.

The Investment Officer shall develop and maintain written administrative procedures for the operation of the investment program which are consistent with this policy. The Procedures will include reference to safekeeping, require and include the "Bond Market Master Repurchase Agreements" (as applicable), wire transfer agreements, banking services contracts, and other investment related activities.

The Investment Officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials and staff. The Investment Officer shall designate a staff person as a liaison/deputy in the event circumstances require timely action and the Investment Officer is unavailable.

No officer or designee may engage in an investment transaction except as provided under the terms of this policy.

Authorization Resolution

A Trading Resolution shall be established authorizing the Investment Officer to engage in investment transactions on behalf of the City. The persons authorized by the Resolution to transact business for the City must also be authorized to approve wire transfers used in the process of investing.

B. Prudence

The standard prudence to be used in the investment function shall be the "prudent person" standard and shall be applied in the context of managing the overall portfolio. This standard states: "Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the expected income to be derived."

Limitation of Personal Liability

The Investment Officer and those delegated investment authority under this Policy, when acting in accordance with the written procedures and this Policy and in accord with the Prudent Person Rule, shall be relieved of personal liability in the management of the portfolio provided that deviations from expectations for a specific security's credit risk or market price change or portfolio shifts are reported in a timely manner and the appropriate action is taken to control adverse market effects.

C. Internal Controls

The Director of Finance is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the entity are protected from loss, theft, or misuse. The internal control structure shall be designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that (a) the cost of a control should not exceed the benefits likely to be derived and (b) the valuation of costs and benefits requires estimates and judgments by management. Therefore,

The Director of Finance shall establish a process for annual independent review by an external auditor to assure compliance with

policies and procedures. Quarterly Investment Reports must be formally reviewed at least annually by the independent auditor and reported to the City Council.

A compliance audit of management controls on investments and adherence to the City's established investment policies will be conducted in conjunction with the City's annual audit by the independent auditor.

Cash Flow Forecasting

Cash Flow forecasting is designed to protect and sustain cash flow requirements of the City. Supplemental to the financial and budgetary systems, the Investment Officer will maintain a cash flow forecasting process designed to monitor and forecast cash positions for investment purposes.

D. Ethics and Conflicts of Interest

City employees involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair the ability to make impartial investment decisions. City staff shall properly disclose to the City Manager and City Secretary any material financial interest in a financial institution that conducts business with the City.

An investment officer or City Council member of the City who has a personal business relationship with an organization seeking to sell an investment to the City shall file a disclosure statement disclosing that personal business interest. An investment officer who is related within the second degree by affinity or consanguinity to an individual seeking to sell an investment to the City shall file a state with the Texas Ethics commission and the City Council disclosing that relationship.

E. Training

Investment officials must complete at least 10 hours of investment training within 12 months of taking office or assuming duties, and shall attend an investment training session not less than once in a two-year period and receive not less than 10 hours of instruction relating to

investment responsibilities. The City shall provide the training through courses and seminars offered by professional organizations and associations in order to insure the quality and capability of the City's investment personnel making investment decisions in compliance with Public Funds Investment Act (PFIA). Professional organizations and associations that may provide investment training included the Government Treasurer's Organization of Texas, the University of North Texas, the Government Finance Officers Association of Texas, or the Texas Municipal League.

VII. Authorizations

A. Authorized Investments

Acceptable investments under this policy shall be limited to the instruments listed below and as further described by the Public Funds Investment Act.

1. Obligations of the United States Government, its agencies and instrumentalities and government sponsoring enterprises, not to exceed two years to stated maturity, excluding collateralized mortgage obligations (CMOs);
2. Fully insured or collateralized certificates of deposit from a bank doing business in the State of Texas and under the terms of a written depository agreement with the bank, not to exceed one year to stated maturity;
3. Repurchase agreement and reverse repurchase agreements as defined by the Act, not to exceed 180 days to stated maturity, provided an executed Bond Market Master Repurchase Agreement is on file with the City and the counterparty bank or primary dealer. Flex repurchase agreements used specifically for capital projects may extend beyond two years but only to match the expenditure plan of the projects;
4. No-load, SEC registered money market funds, each approved specifically before use by the City;

- 5 Constant dollar Texas Local Government Investment Pools as defined by the Public Funds Investment Act; and

If additional types of securities are approved for investment by public funds by state statute, they will not be eligible for investment by the City until this policy has been amended and the amended version is approved by the City Council.

B. Competitive Bidding Requirement

All securities, including certificates of deposit, will be purchased or sold after three (3) offers/bids are taken to verify that the City is receiving fair market value/price for the investment.

C. Delivery versus Payment

All security transactions, including collateral for repurchase agreements, entered into by the City, shall be conducted on a delivery versus payment (DVP) basis.

D. Exemption for Existing Investments

Any investment currently held that does not meet the guidelines of this policy, but are authorized investments at the time of purchase, shall be exempted from the requirements of this policy and is not required to be liquidated. At maturity or liquidation, such monies shall be reinvested only as provided by this policy.

E. Authorized Financial Dealer and Institutions

All investments made by the City will be made through either the City's banking services bank or a primary dealer. The Investment Officer will review the list of authorized broker/dealers annually. A list of at least three broker/dealers will be maintained in order to assure competitive bidding. The City Council must review, approve and adopt the Authorized List of Brokers on at least an annual basis.

Securities broker/dealers must meet certain criteria as determined by the Investment Officer. The following criteria must be met by those firms on the list:

- Provision of an audited financial statement each year
- Proof of certification by the National Association of Securities Dealers (NASD) and provision of CRM number
- Proof of current registration with the State Securities Commission

Every broker/dealer and bank the City transacts business with will be provided a copy of this Investment Policy to assure that they are familiar with the goals and objectives of the investment program. A representative of the firm will be required to return a signed certification stating that the Policy has been received and reviewed and that controls are in place to assure that only authorized securities are sold to the City.

VIII. Diversification and Maturity Limitations

It is the policy of the City to diversify its investment portfolio. Invested funds shall be diversified to minimize risk or loss resulting from over-concentration of assets in a specific maturity, specific issuer, or specific class of securities. Diversification strategies shall be established and periodically reviewed. At a minimum, diversification standards by security type and issuer shall be:

Security Type	Max% of Portfolio
U.S. Treasury obligations	100%
U.S. Government agencies and instrumentalities	Not to exceed 50%
Fully insured or collateralized CDs	30%
Repurchase agreements	100%
Money Market funds	80%
For Bond funds	
Local Government Investment Pools	100%
Liquidity Pools	Not to exceed 20%
Maximum percent ownership of pool for bond funds	not authorized

The Investment Officer shall be required to diversify maturities. The Investment Officer, to the extent possible, will attempt to match investment with anticipated cash flow requirements. Matching maturities with cash flow dates will reduce the need to sell securities prior to maturity, thus reducing market risk. Unless matched to a specific requirement, the Investment Officer may not invest more than 20% of the portfolio for a period greater than five (5) years. The Investment Officer may not invest any portion of the portfolio for a period greater than ten (10) years.

IX. Safekeeping and Collateralization

The laws of the State and prudent treasury management require that all purchased securities be bought on a delivery versus payment basis and be held in safekeeping by an independent Third-Party safekeeping agent.

All safekeeping arrangements shall be designated by the Investment Officer and an agreement of the terms executed in writing. The third-party custodian shall be required to issue safekeeping receipts to the City listing each specific security, rate, description, maturity, CUSIP number, and other pertinent information. Each safekeeping receipt will be clearly marked that the security is held for the City or pledged to the City.

All securities pledged to the City for certificates of deposit or demand deposits shall be held by an independent third-party bank doing business in Texas. The safekeeping bank may not be within the same holding company as the bank from which the securities are pledged.

Collateralization

Collateralization is required on the time and demand deposits over the FDIC insurance coverage of \$250,000 and repurchase agreements.

In order to anticipate market changes and provide a level of additional security for all funds, the collateralization level required will be 102% of the market value of the principal and accrued interest. Collateral will be held by an independent third-party safekeeping agent.

Securities pledged as collateral will be held in the City's name by an independent third party with whom the City has a current custodial agreement. The Investment Officer is responsible for entering into collateralization agreements with third party custodians in compliance with this Policy. The agreements are to specify the acceptable investment securities for collateral, including provisions in relation to possession of the collateral, the substitution or release of investment securities,

ownership of securities, and the method of valuation of securities. A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City and retained. Collateral shall be reviewed at least quarterly to assure that the market value of the pledged securities is adequate.

X. Performance Evaluation and Reporting

A. Methods

The Investment Officer shall prepare an investment report at least quarterly, including a management summary that provides an analysis of the status of the current investment portfolio and transactions made over the last quarter. This management summary will be prepared in a manner consistent with the requirements of Section 2256.023 (Internal Management Reports) of the PFIA, and that will allow the City to ascertain whether investment activities during the reporting period have conformed to the investment policy. The report should be provided to the City Council.

An independent auditor shall formally review the quarterly reports prepared under this section at least annually, and that auditor shall report the results of the review to City Council.

B. Performance Standards

The investment portfolio shall be managed in accordance with the objectives specified in this policy (safety, public trust, liquidity, diversification, and yield). The portfolio should obtain a market average rate of return during a market/economic environment of stable interest rates. The investment officer shall determine whether market yields are being achieved by comparing the portfolio market yield to the three (3) month U.S. Treasury Bill, the six (6) month U.S. Treasury Bill and the two (2) year U.S. Treasury Note.

C. Marking to Market

The market value of the portfolio shall be calculated at least quarterly and a statement of the market value of the portfolio shall be issued at least quarterly. The market value of each investment shall be obtained from a source such as the Wall Street Journal, a reputable brokerage firm or security pricing service and reported on the investment reports.

XI. Depositories

The City will designate one banking institution through a competitive process as its central banking services provider at least every three years. This institution will be used for normal banking services including disbursements, collections, and safekeeping of securities. Other banking institutions from which the City may purchase certificates of deposit will also be designated as a depository after they provide their latest audited financial statements to the City.

XII. Investment Policy Adoption by City Council

The City's Investment Policy shall be adopted annually by the City Council. The policy and strategies shall be reviewed on an annual basis prior to adoption. A written resolution approving the review and changes to the policy will be passed and recorded by the City Council.
