Mandatory Watering Restrictions Extended to June 8, 2012

Lancaster, TX – Effective Monday, December 12, 2011 the City of Lancaster implemented mandatory watering restrictions in accordance with Stage 2 of the Lancaster Drought Contingency Plan. Watering restrictions have been extended to Friday, June 8, 2012 as a result of ongoing drought conditions. The watering schedule remains unchanged and is as follows:

Last Digit of Address	Watering Days Allowed
0, 2,4,6, or 8 (Even Numbers)	Sundays and Thursdays
1,3,5,7, or 9 (Odd Numbers)	Saturdays and Wednesdays

Apartments, office building complexes or other property with multiple addresses may identify their designated watering day by the lowest address number. Irrigation of landscaped areas is further limited to the hours of 12:00 midnight until 10:00 a.m. and between 6:00 p.m. and 12 midnight on designated watering days. Irrigation of landscaped areas is permitted at any time by hand-held hose, faucet filled bucket or drip irrigation system.

As a City of Dallas wholesale water customer, Lancaster is enacting the Drought Contingency Plan to address the ongoing drought weather conditions impacting Dallas' water supply. Water conservation measures in place are to facilitate a goal of a five percent (5%) reduction in water consumption.
