**Lancaster, District 2 City Councilmember Named Leadership at State Level**

**Lancaster, TX** – The Texas Municipal League (TML), Region 13 named City of Lancaster Councilmember Stanley Jaglowski President of Region 13. Councilmember Jaglowski was also elected as Vice President of Texas Association of Mayors, Councilmembers and Commissioners, (TAMCC) an affiliate of TML. TML is to render services which individual cities have neither time, money nor strength to do alone. TML is divided into 15 sub-state regions that exists to promote interests in city government on a regional level, facilitate the exchange of information among the cities in a region, and assist the TML Board of Directors in formulating policy that represents the diverse interests of the state.

Stanley was first elected to serve as Secretary of TML Region 13 in September 2019 and was elected Vice President in February 2021. He also had the opportunity to represent TML Region 13 on the newly formed TML ERCOT Advisory Committee in June 2021.

Councilmember Stanley Jaglowski has proudly served Lancaster since 2011. In 2019, Stanley achieved the "Award of Excellence" from TML for completing five continuous years of Certified Municipal Official (CMO) status. This designation, held by less than 100 other Texas elected officials, is awarded to officials who commit time on enhancing their knowledge of governance roles and the city government through a variety of educational opportunities.

Councilmember Jaglowski has represented the community at the state level in various capacities including the TML Resolutions Committee in October of 2018, a delegate to the TML policy summit in 2018, 2020, and 2022 and chair of the subcommittee on Broadband, which was derived from the TML Municipal Policy Summit in November 2020.

"It is a great honor to earn these achievements," said Jaglowski. "I am committed to continuing my education of municipal knowledge and growth. I believe it is time well spent improving my base of knowledge by attending seminars, events and conferences offered by Texas Municipal League and other recognized leading agencies."

Congratulations to Councilmember Jaglowski!
